1. WELCOME

1.1 INTRODUCTION

A WINNING TEAM FOR AN UNPARALLELED EVENT IN THE WORLD.

A synergy that has strengthened over time is the one between the Automobile Club d'Italia, the Region of Sardinia, and all the other entities in the area. This unique land is focusing strategically on major sporting events to promote tourism and enhance its image nationally and internationally. This winning combination has elevated the Rally Italia Sardegna to become the most admired and esteemed race in the entire FIA World Rally Championship calendar. On one side, there is the infinite beauty of a location that, thanks to the events organized by the Automobile Club d'Italia – noteworthy among them also the Extreme-E – has become increasingly competitive on the global stage, establishing itself as the 'Island of Sport.' The beautiful roads and charming places have witnessed a growth in their allure and interest. It is also attributable to the high-quality work of our women and men who, throughout all 21 editions of the rally, have succeeded in enhancing the event, fostering its growth, and achieving technical perfection.

FIA and WRC Promoter, which ensured global television coverage, have been integral components of this winning team that continues to work to get extraordinary results.

These results are further underscored by the efforts of the ACI Sport Communication team, who have ensured that RAI, every year, decides to broadcast a comprehensive and in-expansion program on its main networks.

Lastly, a final piece of data: after the interruption due to the COVID-19 pandemic, the audience is increasing gradually, from year to year. A diverse audience from various parts of Italy and the world symbolically invades the Island, bringing new people who discover these fantastic places and become the primary promoters of Sardinia's image worldwide.

Thank you all, but now, let's enjoy the unparalleled show of the 21st edition of the Rally Italia Sardegna.

*Angelo Sticchi Damiani
President Automobile Club d'Italia*
