1. WELCOME!

We are looking forward to once again welcome the World Rally Championship to Sweden and, in fact, Norway; this year one of the special stages will actually cross the border into our neighbouring country.

Location

The rally in 2011 will, as previous years, be based in Karlstad with stages run in the counties of Värmland and Dalarna.

The main service park will be established at Hagfors airport as in 2010. The set up of the service park will be on the tarmac surface of the runway.

Elite Stadshotellet in Karlstad will once again host the HQ as the infrastructure and hotel capacity necessary for hosting the event is available in the city.

Itinerary

The total distance of the rally is 2017 km and the 22 special stages (11 stages repeated twice) will cover 348 km in total. A comparison with previous years is enclosed.

The official start of the rally will take place in Karlstad on Thursday 10 February in conjunction to the running of the super special stage at the trotting course.

Day 1 will be run in the western part of Värmland including a regrouping in the town of Torsby. Beside the Vargåsen stage presenting the famous Colins Crest jump, the highlight of the day will be the unique stage (not yet named) crossing the border twice between Sweden and Norway.

During Day 2 the drivers will cross the county border to Dalarna and run classic stages as Sågen and Fedriksberg. The day will also include the arena stage running down the ski slope in Hagfors, introduced in 2010.

On Day 3 the stages in the area of Hagfors will be used, with well known stages as Rämnen and Malta. The live TV broadcasted "power stage" will be Hamra, using the last part of the 2010 stage Torntorp.

We hope this document will be helpful in your preparations for the event.

Welcome to Sweden in February 2011!

Best Regards
