## 1.0 INTRODUCTION AND WELCOME

*It is with the greatest of pleasure that I welcome you to the 2011 Vodafone Rally of Portugal.*

*When, in 2007, the Automóvel Club de Portugal (ACP) achieved the return of the event to the FIA World Rally Championship calendar, it did so as the result of a number of factors: an event base more than capable of satisfying the requirements of the modern WRC, a highly qualified and professional organizing team, an itinerary with quality and competitive stages and world-class hotels and restaurants.*

*These factors have demonstrated the ACP's commitment to developing an event that serves as a reference for the sport. The strength of the entry and the vast numbers of spectators confirm Vodafone Rally of Portugal as one of the most popular events in the WRC and show that we are achieving our objectives.*

*There are numerous parties whose contribution to the success of the event is essential. I am extremely grateful to our sponsors: the Portuguese Tourism Board, Vodafone and BP and for the support from our partners, the Tourism Regions of Alentejo and Algarve, the City Halls of Almodôvar, Faro, Loulé, Ourique, São Brás de Alportel and Silves, the Portuguese sporting federation (FPAK) and the Algarve Stadium – Parque das Cidades.*

*The ACP wishes everybody great success for 2011.*

Carlos Barbosa  
Chairman, Organising Committee

## 3.0 Brief event history

Founded in 1900, Automóvel Club de Portugal (ACP) has always paid a very special attention to motor sport in Portugal, being responsible for the organization of the most important events from the international calendars.

It was no surprise that, in 1967, ACP had put on the road the first edition of the TAP Rally, a competition that in a short notice granted an enormous international prestige and, only six years later, it joined the first World Rally Championship.

TAP Rally, and later Portugal Rally, had been responsible for glorious pages of success in World Championship history, being crowned for five times "The Best Rally in the World" and has been considered in 2000 "The Most Improved Rally of the Year".

After being taken away by FIA from the WRC calendar, the new ACP's board, after President Carlos Barbosa's election, work very hard from 2004 to put Portugal Rally again in the WRC calendar, what has been achieved in 2007, with Algarve roads as scenery.

As a result of the events rotation in the WRC calendar, Portugal Rally has been out of 2008 Championship, but was back in 2009, receiving the unanimous applause from drivers, sporting authorities and Media.

### 3.1 Brief summary of 2010 edition

Held later in the year (27<sup>th</sup> to 30<sup>th</sup> May), Vodafone Rally de Portugal was the 6<sup>th</sup> round of the WRC Championship 2010, being eligible for the WRC, S2000WRC, JWRC and Portuguese championships, plus Pirelli Star Driver and Ford Fiesta Trophy.

Following what it is now almost a tradition, the event was one of the most entered rallies of the season, with 74 starters, six more than 2009, an important detail, considering the international economical crisis.

During the first day of the rally, the top crews met FIA's President during a service halt at Algarve Stadium: Jean Todt was present in Algarve for the official opening of a Road Security Show, organized by the FIA Foundation and ACP.

From the competitive side, Ford's works driver Mikko Hirvonen was fastest in the super special stage, held for the first time in the evening, but as soon as the gravel stages were in the menu, Citroen drivers controlled the classification: Spanish Dani Sordo led during the second and third stages, but then Sébastien Ogier took that position and held first place till the end, winning his first WRC rally, with only 7,9s in front of Sébastien Loeb. Dani Sordo secured the last place of the podium, occupied only by Citroen drivers.

Finn Jari Katoma drove his Ford Fiesta S2000 for first place in the category and Kevin Abbring, from Netherlands, won the JWRC class. Armindo Araújo (Mitsubishi Lancer) was the best Portuguese driver and the fastest in the traditional Group N cars, but maximum points for the Portuguese championship were taken by Bernardo Sousa (Ford Fiesta S2000). Hayden Paddon was the fastest driver in the Pirelli Star Driver challenge and Majed Al Shamsi (UAE) took first place in the Ford Fiesta Trophy .

## 23.0 VILAMOURA – Rally of Portugal host town

Stretching along the whole southern coast, from Cabo de São Vicente to Vila Real de Santo António, the Algarve is the most famous of all portuguese tourist resorts. Served by the international Airport in Faro, this region of calm and warm waters has a mild climate with average temperatures around 24° C in summer and 15° C in winter. The sun shines almost all year round, giving the region its characteristic light. More than 150 km of beaches cherished by the warm breezes from North Africa, the exotic Arab inheritance, the large hotel capacity, the sporting facilities, from golf, tennis, horse-riding or fishing to the long nature walks, the relaxing beaches, the lazy afternoons or the lively evenings at the restaurants, bars, discos or the Casino, have turned the Algarve an all year round holiday destination. The sea is never far away in this land of sailors and fishermen, offering those who love the waves and the wind three excellent marinas – among them the Vilamoura Marina, the biggest in Portugal.
