# 1. INTRODUCTION / WELCOME

## Introduction

This Rally Guide is produced for teams, competitors and media representatives. It contains detailed information, useful during the event.

Please note that these documents have no regulatory power.

## Welcome

Rally Bulgaria is a top event with 41 years of history. The Rally 2011 has total length of 775,27 kms with 10 Special Stages (258,96 kms) all in asphalt. Its route is very compact and selective and it passes through the beautiful Bulgarian scenery. The Headquarters is located in Rila Hotel, resort of Borovets. From 8th to 10th July 2011 Borovets will become the host of Rally Bulgaria and will await and welcome its guests for the event. The Shakedown will be from Beli Iskar village to Hotel Yastrebets on Friday 8 July 2011. The ceremonial start will be given in Borovets, in the evening of 8th July 2011. The rally goes on for 2 days. There is one Service Park, located in the town of Samokov, some 12 km south - west from the resort. Borovets is 60 km from the capital of Bulgaria, city of Sofia.

Welcome to the Bulgarian ERC event! Enjoy your stay and feel the unique thrill of Rally Bulgaria!

The application for a refund, stating the reasons for not starting, must be submitted in writing to the organiser by the Sunday 3 July. Bank account details must be included.

## 5. SERVICE PARK

### Definition

- During the rally, service of competing cars may be carried out only in Service Park. The crews may perform service on the car at any time, other than where this is specifically prohibited, using solely the equipment on board and with no external physical assistance.
- Any infringement of servicing may entail the application of the Art. 152 and 153 of the International Sporting Code by the Stewards of the Meeting.

### Definition of Prohibited Service

- The use of the receipt by the crew of any manufactured materials (solid or liquid), spare parts, tools or equipments, other than those carried in the competing car is not permitted. Passing of information, food and drinks to/from the crew is permitted.
- The parking of a service vehicles or setting of any materials, spare parts or tools during the Rally course is prohibited, except in a Service zone and remote Service zone.

### Service Park

- The location of the Service Park, their duration and their structure are given in the Road Book and in the time -cards.
- The Service Park will be kept under control by IN / OUT Time Control. The distance between them is 5 m.
- Inside the Service Park the speed limit is 30 km/h, failure to this will result in a penalty applied by the Stewards of the Meeting.

### Vehicles allowed in the Service Park

- A maximum of two service vehicles for each car may provide the service during rally. These vehicles will be identified by “Service” plates, supplied by the Organizer, and shall be affixed on the windscreen of the vehicles. In each Service Area and for each car only one Service vehicle is allowed.
- Other team vehicles must be identified by means of “Auxiliary” plates, supplied by the Organizer. When possible, “Auxiliary” vehicles may be allowed to park next to their service vehicles in the service park.

## Locations

During the rally there will be 2 Service zones:

Service Park Samokov - Town of Samokov, Macedonia str. No 77

Remote Service Kostenets - Town of Kostenets, Central Place

## Access time for service vehicles

The access time for service vehicles to the service park are:

- Wednesday 6 July from 14:00 to 20:00
- Thursday 7 July from 08:00 to 17:00

Any delay in the time of access will be penalized at the discretion of the Stewards of the Meeting.

## Features

a) Competitors will be allotted by the organizers their working areas inside the service park, as follows:

- To each priority driver and to all drivers entered in the 2011 European and Bulgarian Rally Championship will be allotted a surface of 12 x 10 m.
- To each non-priority driver will be allotted a surface of 8 x 10 m.

Not later than Friday 1 July at 17:00 competitors must inform the organizer:

1) If they need more space.

The price for extra surface is fixed as follow:

- Priority drivers and drivers entered in the 2011 European and Bulgarian Rally Championship  
€ 15 (VAT 20% included) per square meter
- Non priority drivers:  
€ 10 (VAT 20% included) per square meter

2) For any possible association with other competitors.

b) During all servicing, from the entrance of the first competing car till the exit of the last one, the circulation in both directions of any vehicle ("Service" or "Auxiliary") of all competitors is strictly forbidden.

c) Any further specific regulations concerning the function of the Service Park will be given by the Bulletin.

## 6. TWO WAY RADIO

### Application procedure

Every radio transmitter is subject to licensing. In order to get the license it is compulsory to fill in and send the radio license application form to the Communications Regulation Commission of Bulgaria, with all details about frequency range. The Commission will decide if the requested frequencies can be assigned and will issue a license. The Commission Officials monitor the use of the radio transmitters during the Rally. Unlicensed use of a radio transmitter is forbidden and may lead to prohibition of the use of the transmitter, as well as a fine or confiscation of the equipment.

Please send the application form to:

Communications Regulation Commission

6, Gurko Str.

1000 Sofia, Bulgaria

www.crc.bg; info@crc.bg

Tel: + 359 2 949 21 41

## 7. TYRES AND FUEL

### Tyres

#### Compliance

All tyres must comply with Appendix IV of the 2011 FIA Regional Championship Regulations.

#### Control

During the rally tyres will be marked in accordance with the procedure given by the Scrutineers.

#### Fuel

See the 2011 FIA RRC Sporting regulations and its V1 - FIA ERC/C, Article 49.3 (page 36).

#### Fuel dispense

Inside the RZ the crews must observe the rules provided for in the 2011 FIA RRC Sporting regulations and comply with the instructions given by the Marshals in charge and by the staff involved in the refuelling operations.

Cars feeding with diesel oil may be refuelled - by the crews or by the competitor or its representatives - solely inside the RZ described in the Road Book.

## 8. IMPORT OF VEHICLES AND SPARE PARTS

### National laws

Competitors coming from European Union Countries do not have to make any customs declaration. All vehicles need to have valid traffic insurance.

Competitors coming from non EU Countries have to report at the customs on their way in.

## 9. ACCOMMODATION

In order to guarantee you a high level service and provide the entrants and their teams with the best possible accommodation conditions, the Organizer has signed special contract with Rila Hotel.

## 10. RECONNAISSANCE

### Procedure for registration

- location: Rally HQ, Borovets
- date and time: Tuesday 5 July 16:00 - 21:00  
Wednesday 6 July 07:00 - 12:00

Both crew members must be present at the registration as the pre-administrative checks will be carried out at the same time. At the registration a special ID-form, including details of the car that will be used during reconnaissance, to be affixed on right rear windows, must be signed.

### Specific and / or national restriction

#### Passages

Crews are authorised to drive a maximum of 2 times through each special stage in accordance to the schedules given in Appendix 1, but only in the same direction as the rally, at a reduced speed and fully respecting the Traffic Laws.

Special stages 1/4, 2/5, 3/6, 7/9 and 8/10 are identical and may only be driven as one stage during recce. All

passages through the special stages will be recorded by the marshals and signed by the competitors. Time cards will not be used.

### **Running of reconnaissance**

During the reconnaissance crews have to stop at the start of each passage of each special stage; the marshals will collect the "slip" for each passage of special stage in order to verify the car's passage.

Crews have to stop at the STOP Control of each special stage in order to allow the marshals to record their passage.

### **Driving conduct in reconnaissance**

See Article 20 of the 2011 FIA RRC Sporting regulations.

### **Speed limit**

Maximum speed allowed during reconnaissance on special stage is 70 km/h, unless another speed limit is indicated by traffic signs or by written instruction on the road book or in a bulletin. Excessive speeding during reconnaissance will incur a fine as per Article 15.2.2 of 2011 FIA RRC Sporting regulations (first offence reported by the Police) applied by the Clerk of the Course.

The amount of this fine will be unaltered by any fine imposed by the Police. Other infringements or excessive speeding during reconnaissance may be referred to the stewards.

### **Reconnaissance schedule**

Reconnaissance of special stages can be performed on the following days:

- Wednesday 6 July, from 08:00 to 19:00 on SS 1 / 4; 2 / 5; 3 / 6
- Thursday 7 July, from 08:00 to 19:00 on SS 7 / 9; 8 / 10

### **Reconnaissance cars**

Route reconnaissance must be performed only with production cars complying with the characteristic, as per the 2011 FIA RRC Sporting regulations.

The "R" sticker given at the registration shall be affixed on the car (on the left upper corner of the windscreen) and kept visible for the duration of the reconnaissance period.

### **Controls**

Marshals will control the special stage course and the drivers will be required to follow their instructions.

Control will be carried out even before the period scheduled for reconnaissance.

## **11. SCRUTINEERING, SEALING AND MARKING**

### **Scrutineering venue and timetable**

- location: Service Park, Samokov
- date: Friday 8 July
- time: 09:00 - 13:30 (individual time to be confirmed by a bulletin)

### **Windows / Nets** (Appendix J - FIA, Article 253.11)
