## 1 - INTRODUCTION / WELCOME

**MOT DE CHRISTIAN LECA,  
PRESIDENT DE L'ASACC TOUR DE CORSE,  
ORGANISATEUR DU RALLYE**

Welcome to the 55th Tour de Corse edition!

Back to 2011 in the international courses bosom, with its entry into the Intercontinental Rally Challenge calendar, the 54th Tour de Corse was a great success.

Thanks to the outstanding frames broadcasted on the Eurosport network, highlighting the Corsican authentic wild landscapes, the "Beauty Island" went up in value.

From a sportive point of view, the « Rally of 10.000 Virages »'s roads selectivity was borne out by the competition between all the competitors until the last kilometer to win the event.

More than 80 teams have competed in the 2011 edition, opened to both professional and amateur entrants.

This year, the 55th Tour de Corse will take place on almost all the Corsican roads. The courses will start from Ajaccio on Thursday the 10th of May, to stop at Calvi on the evening, then from Calvi on Friday the 11th to Bastia, and finally from Bastia to Bastia on the Saturday, putting a stop to the (justified but linked to the regulation) bad reputation of the Tour de Corse for being the Tour d'Ajaccio!

Please note that the Tour de Corse hasn't gone along Bastia since 1994!

As a significant innovation this year, the 3rd leg of the 55th Tour de Corse IRC will be twined with the 42th edition of "the Ronde de la Giraglia". This will emphasise the high potential of both competitions, but will also allow Corsican amateurs to participate to a great international event at lower costs.

Finally, I want to welcome all competitors, officials, and participants of the event, and I wish everyone a great Rally.

Let the "Rally of 10.000 Virages" 55th edition be a great success, with a great sportive battle!

**CHRISTIAN LECA  
ASACC TOUR DE CORSE CHAIRMAN**

### 5.2 - ALLOCATED SURFACES IN SERVICE PARKS

In each Service Park a specific location will be assigned for each competitors which following dimensions:

#### Manufacturer Supported Entry:

200 m<sup>2</sup>

#### Manufacturer Supported Entry / Other Legal Entity / FIA Priority Entry :

200 m<sup>2</sup> IRC Manufacturer entry

150 m<sup>2</sup> for one entered car.

50 m<sup>2</sup> for each additional car.

#### Amateur Entry :

80 m<sup>2</sup> per entered car.

Any competitor wishing to have an additional surface will necessarily make the request before the close of entries. The additional m<sup>2</sup> will be allocated depending on options and IRC terms of reference, and charged at the rate of € 12 per m<sup>2</sup> (VAT included).

#### Crews having the same service should indicate it during their inscription.

### 5.3 - RULES THAT MUST BE RESPECTED

According to FIA RRCR (Arts. 40, 41, 42).

Service will be made into the Service Park, **Servicing outside these zones is forbidden.**

**Only vehicles with stickers "ASSISTANCE" or "AUXILIAIRE" are allowed to enter in the Service Parks.** Only two service vehicles and one auxiliary car per competitor will be authorised in the Service Parks. These vehicles must have the «ASSISTANCE» or «AUXILIAIRE» stickers affixed on the windscreen.

Their use of competitor routes is forbidden from 15 minutes before the checking time at "TC SP in" for the 1st competitor, to the checking time at "TC SP Out" for the last competitor.

Only vehicles clearly identified by means of «ASSISTANCE» Service plates are allowed to be parked in their service area.

Vehicles identified by means of «AUXILIAIRE» Auxiliary plates must be parked in Auxiliary Parc.

Any breach of this rule will be fined with € 500.

#### Cleanliness and safety of your stand

**Each competitor is responsible** for the behaviour of its service team members. In the service park, all competitors **must** :

- keep near to any racing car a **fire extinguisher for A, B and C type fires of a minimum capacity of 5 Kg**, having been checked within the last 2 years.
- place under each racing car a **waterproof and resistant to hydrocarbons ground sheet** of a surface equal to that of the car (3 m x 5 m minimum).
- **take care of its waste removal** when its team leaves the parks at the latest (immediate penalty € 500 VAT included).

**The penalty for extinguisher or ground sheet failure in the parks is € 200 VAT included.**

**Waste water emptying, car wash and staking out on the ground are forbidden in the Service Park.**

The Organising Committee thanks you in advance for your understanding of our marshalls who do their best to make sure that the rally takes place in good conditions and to make sure that everyone respects not only the regulation but everybody else as well.

The Officials of the rally will verify the proper compliance with these requirements. Any infringement will be submitted to the Stewards who will determine the penalty to apply.

#### **Speed in Service Parks**

The speed in the service parks may not exceed 30 km/h. Failure to comply with this limit shall result in a penalty applied by the Stewards.

### **7.1 - FUEL**

There will be no unique imposed fuel supplier.

For environmental and safety reasons NO refueling is permitted by any competitors within the Service Park.

Competitors may only refuel in the refueling zones (RZ) or at commercial filling stations on the rally route and specified in the Road-Book.

In these areas any kind of servicing is prohibited except the refueling of the car.

Refueling Zones (RZ) :

The refueling must be made by the crew or by members of the team (2 persons maximum) (see FIA RRCR Art. 49).

In this last case, it is recommended that these team members are wearing complete fire-resistant approved overalls,

if not, it's compulsory for them to wear clothes covering arms and legs (no shorts or T-shirts).

#### Commercial filling station specified in the Road-Book :

The refueling may be done at commercial filling stations on the rally route and specified in the Road-Book for competitors using commercial fuel.

In that case the presence of any member of the team is not allowed.

Only unleaded 95 fuel is available in commercial filling stations in Corsica (no unleaded 98 fuel).

## 7.2 - TYRES

- During the running of the rally, the use of tyres, their replacement and checking will be in accordance with the FIA RRCSR (Art. 50 et Appendix IV).

- Tyres changes may only be carried out at service parks.

It is forbidden to change tyres between service parks unless there are spare tyres on board. This change has to be done by the driver and/or co-driver.

- Tyres are free between the start of the leg and the first service park and between the last service park and the arrival of the leg (except for the arrival of leg 3)

- The use of an anti puncture (ATS or other type) is prohibited.

## 8 - IMPORT OF VEHICLES AND SPARE PARTS

There are no custom formalities for teams whose country of origin is a member of the European Union. Only teams whose country of origin is NOT a member of the European Union are required to provide French customs with an ATA carnet (which must normally be applied for at the Chamber of Commerce in the country of origin).

## 9 - HELICOPTERS

### 9.1 - REGISTRATION PROCEDURE

In accordance with Safety regulations and the disposals of the air civil authorities, **any helicopter taking part in the rally should be duly registered with the organiser to fly during the rally.**

**The registration form is to send to organizer the April 28 at the latest.** (see registration form on website)

The registration entry fee is 1 500 € + 19.60 VAT = 1 794 € VAT included (a fee of 100 € + VAT will be taken in case of cancelation).

#### **Each helicopter company will provide the organization when registering with:**

- a list of registered helicopters,
- their air operator certificate and operating license,
- exemptions from overflight rules issued to these companies,
- a copy of their certificate of insurance,
- the list of pilots and a copy of their licenses and qualifications.

The registered helicopter's pilots will receive the «Helicopter Guidelines» including the regulations, a handbook of circulation, maps of the SS, landing zones and GPS coordinates.

**The mandatory helicopter pilot's briefing** will be held on Thursday May 10 at 10:00 at the Business Centre (upstairs close from the bar - 1<sup>st</sup> floor) - Napoleon Bonaparte airport - Ajaccio

- SS lenght : 6.10 km
- SSF to "light" SP : 11.98 km

The road-book will be available on website and at Administrative Check

Where a crew in its competing car is unable to participate in the ceremonial start due to an incident during the shakedown, it shall be permitted to start the remainder of the rally Thursday at its allocated start time provided that the Stewards are notified and subject to passing the necessary scrutineering checks. The crew concerned must still attend the ceremonial start wearing overalls and at their due time.

## 15 - START PROCEDURE

### 15.1 - CEREMONIAL START

The Ceremonial Start of the 55<sup>th</sup> Tour de Corse will take place on Wednesday May 9<sup>th</sup> at 21:00 at the Place d'Austerlitz (called Place du Casone) at Ajaccio.

There is no Parc Fermé before the Ceremonial Start. Each rally car must arrive in holding area between 20 to 10 minutes before its given start time.

Any late arrival will be penalized with a 500 € fine.

Wearing of overalls is compulsory.

The starting order will be in reverse numerical order, every one minute.  
There will not be given any time card.

After this Ceremonial Start, competitors are free to enter their car in Parc Fermé (Palais des Congrès parking - Ajaccio) from 21:00 to 23:00. Otherwise they have to enter their car in Parc Fermé Thursday May 10<sup>th</sup> from 11:00 to 12:00, by notification.

Any car entrance in the Parc Fermé is definitive.

#### 15.2 - START ORDER

**For the 1st Leg :** the starting order will be in numerical order every one minute, except the first 10 competitors who will leave every two minutes.

**For 2nd and 3rd Legs :** the starting order will be in reverse order of the classification at the finish of the final special stage of the previous leg, every two minutes for the first 10 competitors. All other competitors will start in order of the classification at the finish of the final special stage of the previous leg, every one minute.

However, any change at the discretion of the clerk of the course and in agreement with the IRC promoter will be indicated in a bulletin.

## 16 - FINISH PROCEDURE

The rally finish at TC 14 A. After this TC competitors must immediately drive their car to the holding area before the podium and will put themselves at the disposal of the Clerk of the course for the prize giving ceremony. This ceremony will be on Saturday May 12<sup>th</sup>, from 20:00, Finish Podium - Place St Nicolas - Bastia.

After the podium procedure, competitors must immediately drive their cars to the final Parc Fermé, excepted those who must go first to the final scrutineering.

**A "Parc Fermé pass" will be issued for all cars when they enter the final Parc Fermé.**

Once in the Parc Fermé, cars will only be authorized to be removed once the final official classification is confirmed by the Stewards and they authorize its opening, and **after presentation of the "Parc Fermé pass"**. One hour after the publication of the final classification, the Parc Fermé will be open to the public and the organiser will not be held responsible for the cars any more.
