## 1. INTRODUCTION

Dear Competitors,

The 81<sup>st</sup> Monte Carlo Rally is held from 15<sup>th</sup> to 20<sup>th</sup> January 2013 and will once again be the opening event for the FIA World Rally Championship.

Any driver with a valid international licence is welcome to participate in our event and compete on an equal footing with professionals – a rarity nowadays. There is a promotion class reserved for amateurs, with generous prize-money. The total distance covered by special stages exceeds 450 km.

Programme:

Valence will once again serve as the central hub of this Monegasque event, with special stages held nearby, so that drivers can return to the service park between stages. Ardeche, Haute Loire and Drome will stage thirteen specials and then drivers return to Monaco to contest a further five specials in the department of Alpes Maritimes.

Reconnaissance starts at 8 a.m., on Saturday 12<sup>th</sup>, and finishes at 7 p.m., on Monday 14<sup>th</sup>, with a maximum of two runs on the special stage routes allowed.

Administrative checks start at 2 p.m., on Sunday 13<sup>th</sup>, while all day Monday 14<sup>th</sup> will be reserved for scrutineering, to ensure that all are present for shakedown on Tuesday 15<sup>th</sup>. Shakedown will be located on Plateau de Lautagne, near the RD261, south of Valence, less than 10 km from the service park (which is located in the Parc des Expositions).

On the same day, at 6 p.m., the Starting Ceremony takes place in the Champ de Mars (near the Peynet kiosk) where all competitors will present themselves for the competition, in order of competition number.

On Wednesday 16<sup>th</sup>, there will be four special stages in Ardeche, covering more than 130 km: Moulinon - Antraigues and Burzet - St Martial with a return to the Valence service park at 12.30 p.m.

On Thursday 17<sup>th</sup>, the three specials in Ardeche and Haute Loire will be driven twice, with a halfway stop in Valence at around 12.45 p.m. (130 km).

Friday 18<sup>th</sup> will comprise three specials, with a long St Jean en Royans - La Cime du Mas stage (33 km) in Vercors. Then, after a stop in the Valence service park, there are two classic Monte Carlo Rally stages on the way back down to Monaco, which haven't been run for many years: St Nazaire le Desert - La Motte Chalancon (22 km) and Sisteron - Thoard (37 km). Cars are allowed to arrive at the Monaco time control earlier than the 7.30 p.m. target time.

On Saturday 19<sup>th</sup>, five stages are scheduled for the 60 highest-ranked teams, with three Col-de-Turini runs (Le Moulinet - La Bollene - 23km), two of which are at night, and two passes through Col St Roch (Lantosque - Luceram - 19km), one of which is at night. The latter is classed as a Power Stage, and awards bonus points to the three top finishers.

In all, 465 km of timed stages will need to be driven to reach the final podium in the Place du Palais, Monaco, at 11 a.m., on Sunday 20<sup>th</sup> January 2013.

Clerk of the Course

## **15. INSURANCE**

The entry fees include the insurance premium which guarantees the competitor cover, for civil responsibility towards third parties as defined hereunder:

In conformity with the French general regulations governing sporting events and competitions on

public highway, the Organising Committee will take out an insurance policy with one or more companies approved by the Monaco Government against accident, fire or explosion taking place during the competition covering:

12.1. The financial consequences of civil liability devolving upon the organizers or the competitors resulting from corporal or material damages caused to spectators, to a third party, to competitors, however being specified :

- that concerning the stages using closed sections of public highway, civil liability of competitors towards each other is guaranteed only for corporal injuries;
- that civil liability of the competitor handling the steering wheel towards his co-driver is guaranteed through the whole duration of the Rally.

12.2. The financial consequences of civil liability devolving upon the Organisers or the competitors with regard to the representatives of the State or members of any public body attached to the traffic authorities in connection with the organisation and controlling the event, or their legal representatives for bodily injuries or material damages caused to them.

12.3. The financial consequences of civil liability devolving upon the State, Departments or Municipalities through any damage caused to third parties by officials, police or military representatives placed at the disposal of the Organisers or their material.

12.4. The general conditions of this policy will chiefly stipulate that the coverage is granted up to amount of 15.244.902 € per accident, as far as bodily injuries are concerned. In respect of material damage the coverage is up to 2.286.736 € per accident.

12.5. The insurance certificate must also contain a clause specifying that the insurer, in case of accident, surrenders all claim against the state, and the departmental or municipal authorities, or any other person connected with these authorities, in any capacity.

12.6. The coverage of this insurance will extend to all French "Departments" covered by the Rally.

12.7. It will become effective, at the earliest, from the time the start is given and will continue to be so not only during the whole of the Rally and its subsidiary events as specified in the official program, but also during the stay of competitors in the Principality of Monaco and the department of the Alpes-Maritimes, The Alpes de Haute Provence, the Hautes Alpes, the Ardèche, the Drôme, and the Haute-Loire until Sunday January 20<sup>th</sup> 2013, at 19h00.

12.8. In case of retirement, exclusion or disqualification of a competitor during the Rally, the coverage will automatically cease at that time. The time of this retirement, exclusion or disqualification shall be considered being the one of the closing of the following time control.

12.9. In case of an accident, the competitor or his representative must notify in writing the insurers within 3 days at the latest.

In case of breakdown service in a S.S. or during a road section the costs will be devolved upon the competitor.

12.10. The insurance policy mentioned in the present article does not cover the responsibility towards third parties of any competitor not holding an international licence.

12.11. The Organising Committee declines all liability concerning the consequences for breach of laws, regulations and ordinances by competitors in the "Départements" they cross, such consequences being solely the liability of those who have incurred or committed them.

The Organising Committee also declines all liability concerning any cataclysm, riots, demonstrations, etc... of which competitors and persons aboard the vehicle could suffer and of which all consequences (material, penal and sportive) will have to be supported by these ones.

**NOTA:** Competitors are informed that the insurers of the Organising Committee of the "81<sup>e</sup> Rallye

Automobile Monte-Carlo 2013" are at their disposal regarding any individual insurance they would like to take out :

ASCOMA JH - 24, Boulevard Princesse Charlotte - MC 98000 MONACO  
Ph: +377 97 97 22 22 – Fax: +377 93 25 08 22.

12.12. The service vehicles, even those bearing the special plates "ASSISTANCE" issued by the organiser, may never be considered as official participants in the Rally. They are therefore not covered by the insurance policy of the Rally and remain the sole responsibility of their owner. It's the same for the cars used by the competitors for the reconnaissance, even if these cars are bearing a serial number or a specific inscription of the event.
