## 1. WELCOME

---

### **Rally Sweden 7 - 10 February 2013**

We are looking forward to welcome you to the 61st edition of Rally Sweden, the only winter rally in the FIA World Rally Championship.

The rally in 2013 will, as previous year, be based in Karlstad with stages both in Sweden and Norway.

The main Service Park will once again be located at Hagfors airport. The set up of the service park will be on the tarmac surface of the runway. There will be a Remote Service on Sunday.

The Head Quarter will be located at Elite Stadshotellet in Karlstad.

### **Itinerary**

The total distance of the rally is 1570 km and the 22 special stages will cover 330 km in total. The official start of the rally, where the competitors will choose their start positions, will take place in Karlstad on Thursday February 7 at 19.00 in conjunction with the running of the Super Special Stage on the trotting course.

Friday will be run on well known stages around Hagfors, including Vargåsen with Colins Crest and the special award for the longest jump.

Saturday, the cars will be in the forests east of Hagfors with the stages Sågen and Fredriksberg as well as the sprint stage in Hagfors.

Sunday we will cross the border to Norway and use well known stages in the border forests. The Power Stages will be the Torsby stage, run in its full length of 19.2 km.

Best regards

## 5. SERVICE PARK

### 5.1 LOCATION

GPS Coordinates: N60 01 568, E13 34 898

The service park will be established at the airport in Hagfors.

#### Manufacturers, WRC Teams, WRC2 and WRC3 entrants

Each team/competitor will be allocated a designated space on the runway (tarmac surface)

Legal and private entrants are allocated an area of 10 m x 10 m.

NB-the driving way and access to each individual area is on the rear side of the allocated areas.

A provisional drawing of the service park is enclosed in Appendix 1 (Maps and drawings).

## **5.9 SECURITY**

The organiser has arranged a security company, for the over-view control at the Service Park. For special guarding at your designated area please contact the security companies in the area, for contact details see Art. 20 in this document.

## **5.10 MEDIA FACILITIES**

Press facilities and result service for accredited media will be established next to the Service Park. For further information see Art. 18 in this document.

## **5.11 MEDICAL CARE**

A medical centre will be established south of the office building (next to the car park) at the service park.

## **5.13 RECYCLING / ENVIRONMENTAL REQUIREMENTS**

For environmental reasons we kindly ask teams and competitors to use the recycling areas arranged at the service park (marked on the Service Park drawings). Garbage container will also be available for combustible waste. Oil, drums, spareparts etc may not be left on the runway under any circumstances. A special container for Hazardous Waste will be put in the Service area marked Eco-Simplex, in this the teams can place oil, fluids, lamps, electronic waste, absorbents etc. Empty drums and spareparts can also be put in or close to this container

## **5.14 CAR WASH**

**8. IMPORT OF VEHICLES AND SPARE PARTS**

---

**From the European Union.**

Competitors from the European Union do not need to make any special custom clearance for temporary import of cars and equipment on arrival in Sweden.

**From outside the European Union**

If you are importing the rally car, service cans and/or spare parts/equipment from outside the European Union you have to report to the customs on arrival in Sweden. Please contact the Custom authorities in Sweden in advance, phone +46 771 520 520, website: [www.tullverket.se](http://www.tullverket.se), for current information and procedure.

**IMPORTANT - NEW REGULATIONS IN SWEDEN****8.1 Driving in Sweden and Norway****Sweden**

From 1. December 2012 new regulations are enforced in Sweden. For vehicles with a allowable total weight of over 3500 kg must be equipped with winter tyres or similar:

Rear wheel drive vehicles on the rear axel

Front wheel driven vehicles on both axles.

Winter tyres must be marked with: M + S, M.S., M & S, M - S or "Mud and Snow".

Similar equipment may be chains or other non-skid equipment.

**Norway**

For vehicles with a allowable total weight of over 3500 kg, the vehicle must be equipped with chains. Contact the Norwegian Public Roads Administration for more info:

[www.vegvesen.no](http://www.vegvesen.no) (Link to truck info: [www.donnadiesel.no](http://www.donnadiesel.no))

## 9. HELICOPTERS

The Swedish Transport Agency, Civil Aviation Department, has declared the airspace above the rally area as "Restricted Area". Only helicopters registered with the organizer and following the instructions of the Swedish Transport Agency and the organizer, are allowed to operate in this area.

Note that all foreign Aerial Work operators have to obtain permission for flying in Sweden from the Swedish Transport Agency.

For further information please contact: Swedish Transport Agency Civil Aviation Department:  
Phone: +46 771 503 503, e-mail: luftfart@transportstyrelsen.se

For safety reasons, the number of helicopters operating in the area will be limited to 30. All registered pilots will have access to the airport in Hagfors (at the Service Park) for parking and refuelling. In addition, all pilots will receive an information manual containing time tables, maps and information about the Service Park, the special stages, GPS coordinates, refuel information, radio frequencies to be used etc. An administrative fee of 2 000 SEK (excl. VAT) will be charged for this service.

The Registration form will be published on [www.rallysweden.com](http://www.rallysweden.com) in due time. It will also be sent on request, e-mail to: [mailbox@rallysweden.com](mailto:mailbox@rallysweden.com). The form has to be submitted to the event Helicopter Coordinator on 31 January at the latest.

### Amendments for operations in Norway.

According to regulations a Flight Plan has to be filed before crossing of border between Sweden and Norway. Due to poor low altitude radio coverage in the area a phone number for closing and opening of Flight Plans will be issued in the informations manual.

Information regarding custom clearance before landing in Norway will be given later.

Application for "Restricted Area" has been submitted to the Civil Aviation Authority - Norway. Information on approval will be given in the information manual.

Radio frequency for use in Norway will be issued in the information manual.

## Medical information for Sweden and Norway

Citizens from the EU/EEA - countries will receive emergency medical care paying the same patient charge as Norwegian and Swedish citizens. Competitors from these countries must provide an E 111 form, EU card or corresponding document verifying that the person is covered by health insurance, when medical care is required, and should obtain this form before leaving their home country. Citizens from the Nordic countries are not required to provide the E 111 form.

Besides the EU/EEA-countries Sweden and Norway has an agreement with the following countries which guarantees the citizens emergency medical care at the same patient charge as Norwegian and Swedish citizens: Algeria and Australia. Competitors from these countries must also provide an E 111 form, EU card or corresponding document verifying that the person is covered by health insurance. Citizens in other countries than mentioned above have to pay the total cost of treatment plus the patient charge.

### **Climate**

Given Norway's extreme northerly position, its mainland climate is surprisingly mild. Norway is the northernmost country in the world to have open waters. This is due to the trade winds forced across the Atlantic Ocean by the American continent and the warm currents (known as the Gulf Stream) flowing north from the Equator towards the Norwegian Sea. The lowest minimum temperature recorded is -51 °C in Karasjok in northern Norway. Winter season is from November to March with January and February as the coldest months of the year, normally with temperatures below zero degrees Celsius.

## **RALLY SWEDEN ENVIRONMENTAL POLICY**

**As one of Sweden's largest spectator event Rally Sweden shall be a leader and good example in environmental work both nationally and internationally. We will profile Rally Sweden as an organizer that puts the environment in all areas all year round, even if the rally takes place in the winter. We want the entire organization to be engaged in environmental work and that each employee and marshal takes environmental considerations into the decisions taken.**

**Succesively Rally Sweden through conscious choice will work for the environmental impact to be reduced and we will:**

- **Educate and inform as many people as possible in the organisation of our environmental policy.**
- **Search cooperation and exchange with environmental actors.**
- **Observe environmental work and environmental impact when we choose partners and suppliers and strive to choose products and services with proven good environmental performance.**
- **In transport issues, reduce the environmental impact as much as possible.**
- **Conserve energy and use renewable enrgy sources whenever possible and reduce waste.**
- **Comply with relevant environmental laws and regulations, and other environmental requirements.**
- **Evaluate and improve our environmental work through structured and planned work.**
