12. OTHER PROCEDURES

12.1. Ceremonial Start Procedure and Order

The start of the rally (TC0) will take place at the Rally Campus Service OUT control on Thursday March 6th, 2014 starting at 18:15 hrs. There will be no holding area prior to the start of the rally. Competitors must check in at TC 0 at their published start times. Section 1 Time Cards can be collected at the TC 0 Control table 15 minutes before the first car is due.

From TC0 competitors will proceed to Silao where a pre-start ceremony will take place between TC 0A and TC 0B. From there they will proceed to the Guanajuato Teatro Juárez (TC 0C) holding zone. There will be no escort for competitors to enter Guanajuato.

The ceremonial start will take place between controls TC 0D and TC 1, at the "Alhondiga de Granaditas" in Guanajuato, before proceeding to the "Guanajuato Street Stage – SS1". The start interval will be 2 minutes for all competitors in section 1. The start order will be as WRC Art. 45.3

Time Card Changes during the Rally

Time Cards will be issued or changed at the following time controls for the start of each section:

TC 0, TC 1B, TC 5B, TC 11E, TC 13B, TC 17E, 20B

12.2. Finish Procedure

The rally will end at Time Control TC 21C (Service H Out - Finish Area In) After this control a pre-finish holding area will be established and crews will be directed to the podium in the specified order outlined in Appendix IV of the WRC regulations at the appropriate times.

12.3. Permitted Early Check-In

Competitors are allowed to check in early without incurring a penalty at:

- "Overnight Regroup IN" control (TC 1A)
- "Service OUT - Parc Fermé IN" controls (TC 11D and TC 17D)

12.4. Super Special Stage Procedure and Running Order

12.4.1. On SS 10, 11, 16, 17 and 18, cars will run two at a time. At the start of the stages 10 and 16, the two cars will be placed side by side in separate lanes, A and B. The first car entering the start area will be directed to lane A, the second to lane B. After completing the stages, the cars will be immediately directed to the starting gate, switch lanes and start stages 11 and 17 respectively.

The Organisers may, at their discretion, pair drivers on the stage in the interest of the spectators and television. This pairing may change the running order of the day. There will be a maximum 20-minute holding area between the Time Control and the first Stage Start where any changes in running order will be made. The running order established from this point will remain the same throughout the remainder of the section. Refer to Rally Guide 2 for procedure diagrams.

There will not be a Time Control between the special stages 10 & 11 in Section 3 and stages 16 & 17 in Section 5. Therefore, these stages will be considered as two parts of a single Super Special Stage. The road between the finish of the first stage of the pair and the start of the second stage is enclosed within the control area and considered as Parc Fermé (WRC Reg. 2.10) where no repairs or assistance may take place.

Any crew unable to complete either the first or second special stages of the Super Special Stage will be penalised as stipulated in Art.46.2.5 of the 2014 WRC Regulations.

Should a car fail to complete either of the special stages of the Super Special Stage in the correct manner, the Organisers will **immediately** remove it to the road section after the STOP control.

If the running of the Super Special Stage is interrupted, this will be signalled to the drivers by yellow flags shown by properly identified marshals.

When given this signal, the driver must immediately reduce speed and follow the instructions of the marshals or other officials. Failure to comply with this rule will entail a penalty at the discretion of the Stewards. (Article 40.5.1 of the 2014 WRC Regulations).

If the display of the yellow flags is caused by one of the two cars blocking the stage or delaying the other competitor, the provisions of WRC Regulations Article 39 will apply.

12.5. Special Procedures / Activities

An autograph signing session will be organised at the Main Service area in the Poliforum on Thursday March 6th from 14:00 hrs to 15:30 hrs.
All drivers must attend for at least 30 minutes during this window of time.

The Mayor of León will offer an official welcome cocktail to all crews on Wednesday March 5th, 2014 at 20:00 hours at the Explora Park Kiosk. All crews are invited and attendance is requested.

12.9. End of Power Stage

For the purpose of Live TV there will be interviews at the STOP control of the stage. The Organisers, in conjunction with WRC Promoter, may stop any car and its crew on the road section immediately after the STOP control of the stage, so that they can take part in media interviews and a made-for-TV podium ceremony. These crews will be directed by officials at the STOP control of the stage. If necessary, additional time for the road section to TC 21A will be given by an official at this location on the time card.

12.10. On Board Cameras

As per article 65.1 of the WRC Regulations the entrant of any car, which carries an on-board camera, must have the prior agreement of the Promoter.
