At pre-rally Scrutineering all crews have to hand in a valid International Green Card for their car. Without this card, the crew won't be permitted to start.

### 5.2 COMPETITORS' INSURANCE AND DECLARATION

Competitors and drivers must have valid insurance as is required by the Traffic Act, covering them against liability for both personal injury to, and damage to the property of, third parties on public road parts of the event.

It is the Competitor's responsibility to arrange such insurance and/or to extend existing insurance so as to comply with the requirements of the Traffic Act. Competitors and drivers will be required to sign and declare that they are covered by such insurance. Any failure to sign a declaration may mean that the car in question may not be permitted to start.

The Organisers also decline any liability for breach of the laws and regulations of Estonia as covered by the itinerary. Competitors shall be held responsible for any accident or breach of laws in which they may be involved and shall declare to the promoters particulars of any incident from which liability may arise and shall have no claim against the Organisers arising out of the accidents of the Organisers, servants or officials during the course of the Rally.

Competitors and drivers will be required to sign the following declaration:

“I declare that:

1. I have been given the opportunity to read the codes and regulations of this round of the FIA European Rally Championship held under the International Sporting Code, The Sporting and Technical Regulations of the FIA and the Supplementary Regulations for this round of the FIA European Rally Championship (the “Event”) and agree to be bound by them.

I declare that I am physically and mentally fit to take part in the Event and I am competent to do so. I acknowledge that I understand the nature and type of the Event and the potential risk inherent with motor sport and agree to accept that risk.

2. To the best of my belief the driver(s) possess(es) the standard of competence necessary for an event of the type to which this entry relates and that the vehicle entered is suitable and roadworthy for the Event having regard to the course and the speeds which will be reached.
3. The use of the vehicle hereby entered is covered by insurance as required by the law which is valid for such part of this event as shall take place on roads as defined by the law.
4. I understand that should I at the time of this Event be suffering from any disability whether permanent or temporary which is likely to affect prejudicially my normal control of the vehicle, I may not take part unless I have declared such disability to the FIA which has, following such declaration, issued a licence which permits me to do so.
5. Any application form for a Licence which was signed by a person under the age of 18 years was countersigned by that person's parent/legal guardian/guarantor, whose full names and addresses have been given.
6. I understand that motorsport is dangerous and accidents causing death, injury disability and property damage can and do happen. I understand that these risks may give rise to my suffering personal injury or other loss and I acknowledge and accept these risks. In case of an accident resulting in hospitalisation, I agree that the hospital may provide information about my medical condition to the Organisers.
7. In consideration of the acceptance of this entry I agree that neither any one of or any combination of the FIA, the EASU, the track owners or other occupiers, the promoters and their respective officers, servants, representatives and agents (the "Parties") shall have any liability for loss or damage which may be sustained or incurred by me as a result of participation in the Event including but not limited to damage to property, economic loss, consequential loss or financial loss howsoever caused. Nothing in this clause is intended to or shall be deemed to exclude or limit liability for death or personal injury.
8. To the fullest extent permitted by law I agree to indemnify and hold harmless each of the Parties in respect of any loss or damage whatsoever and howsoever arising from my participation in the Event.
9. I hold a full, valid, current driving licence."

### 5.3 DAMAGE REPORTING

The crews are obliged to notify the Organiser about any damage caused on the track by their car immediately after the accident. Violation of this duty stands for summoning the Competitor and involved crew to a disciplinary committee.

### 5.4 INSURANCE COVERAGE EXCLUSIONS

VIP and Auxiliary vehicles, Service vehicles ("TEAM"), recce cars and other cars and vehicles with special plates issued by the Organiser are not covered by the provided rally insurance and those are always going on their own responsibility. The Organiser declines any responsibility about consequences raised from dishonest actions of the Competitor in relation with rally regulations and Supplementary Regulations, or the State's laws. In case of a road traffic accident neither a service car a reconnaissance car nor an official's car with rally markings are considered as crews of the competition. In these cases only a car owner third person's liability insurance policies are valid.
