1. INTRODUCTION

1.1 WELCOME

Welcome on 25th Rally Rzeszow. We prepared for you Rally Guide which, we hope, will be an usable publication. You can find here specific, basic information concerning rally, event organizing, rally process and safety. Everything, what is important for competitors, crews, teams, journalists, spectators, officials and visitors we try to comprehend in this Guide. This publication is not a part of Rally Supplementary Regulations, doesn't replace it, neither completes it.

1.2 ROUTE

Rally Rzeszow's history might date back to 1970 but its 25th edition will perhaps be its most significant moment so far with the asphalt event an ERC newcomer for 2016. Thirteen special stages, with a total length of nearly 215 km, are waiting for drivers planning to take part in Rally Rzeszow. A regular on the Polish and Slovakian national championship calendars, Rally Rzeszow takes place on narrow, winding sealed-surface roads in the foothills of the Carpathian Mountains in southeast Poland with steep climbs and tricky descents commonplace. The route of the seventh round of the 2016 FIA European Rally Championship has been slightly changed compared to last year's edition and will run for a total distance of 613 km. Some of the special stages are modified or completely new.

The ceremonial start will take place on Thursday, 4th of August in the afternoon on the Millenium Hall Square in Rzeszow. The same evening, drivers will face the first competition on the Rzeszow Special Stage located at the centre of the city.

Six stages, with a total length of 104 km, will be held on Friday, August 5th. On Saturday, August 6th, drivers will tackle also six special stages with a length of 106 kilometers. The finish of the rally will be on the charming Market Square of Rzeszow.

The rally office will be located in the Hotel Hilton Garden Inn in Rzeszow, one kilometer from the service park, which will be situated closed to Podpromie Sports Hall.

If you are entitled to health care under EEA rules on coordination of social security systems, during a temporary stay in Poland you are entitled to receive free health care services, necessary on medical grounds, from health care providers who have concluded contracts for health services with the National Health Fund (in polish NFZ). Facilities of these health care providers are marked with the logo of the NFZ:

Narodowy Fundusz Zdrowia

If you want to get treatment by a general practitioner, you have to go to a doctor who has a contract with the NFZ and show your European Health Insurance Card (EHIC, in polish EKUZ) or a replacement

certificate. Primary health care comprises examination and consultation by a general practitioner. A doctor may also refer you to diagnostic tests, to a specialist or to a hospital.

21.2 CITY OF RZESZÓW

Rzeszów is an economic, scientific and cultural centre of southeastern Poland, the capital of the Podkarpackie Province. With a population of over 185,000 it is one of the largest cities in this region. The proximity to the southern and eastern frontiers makes Rzeszów an important communication centre. The city is approximately 100 km from Slovakia, and not more than 90 km from the Ukraine. For centuries Rzeszów took advantage of its location on a major east-west route linking Krakow, Przemyśl and Lwów (L'viv) with the Black Sea. Even today, this route still plays an important role in city life, as Rzeszów is situated on International Road No 4, running from Germany to Ukraine along Poland's southern and eastern borders. An important influence on the city's development has been the modern international airport, Rzeszów-Jasionka, situated 10 km north of the city centre.

21.3 VISA REQUIREMENTS

Poland is in the Schengen zone. On 21 December 2007 passport checks were abolished on Poland's border to Germany, Czech Republic, Slovakia and Lithuania by a decision of the European Parliament.
