1. Welcome

1.1 Introduction

Twenty special stages for over 300 timed kilometers, 5 hours 30 minutes of live broadcast from RAI and Sky: this is 2018 Rally Italia Sardegna, the 15th edition on the island of Sardinia, the ideal stage for the Italian round of the FIA World Rally Championship. To all protagonists go my greetings from the company I preside, the Automobile Club d'Italia, that since 2006 organizes this motorsport event on the island.

The race is provided from June 7th to 10th. The first scratch will be hit in Ittiri - on Thursday June 7th at 18:00 - during the well known Super Special Stage 1 Ittiri Arena Show. During the following days - Friday, Saturday and Sunday - will be disputed other 19 special stages in the north part of Sardinia. Among them the traditional stage of Monte Acuto and the new configuration's stages of Tula and Castelsardo.

A reason of pride and satisfaction of this 15th edition of Rally Italia Sardegna is the great television coverage by RAI thanks also to the profitable support of Automobile Club d'Italia. The coverage will start on Thursday June 7th to then continue with the live broadcast of special stages Coiluna-Loelle on Saturday June 9th and on Sunday June 10th with Sassari-Argentiera, the one stage considered one of the most fascinating Power Stages of the World Rally Championship thanks to the amazing scenery that characterized it.

Angelo Sticchi Damiani
President of Automobile Club d'Italia
