5. INSURANCE

The entry fees include the insurance which guarantees the competitors cover for civil liability of €30,000,000 for every event for Third Party personal injuries and up to €1,000,000 for every event for Third Party property damage, subject to excess of €200 for each and every claim.

Damages on Rally and/or Service Cars and injuries to their occupants as well as the liability of a crew member towards the other crew member of the car and/or towards the crews of other rally cars, are not covered by the organiser.

The insurance cover will come into effect from the start of the rally and will cease at the end of the rally or at the moment of retirement or disqualification.

6. ADVERTISING & IDENTIFICATION

6.1. Compulsory Advertising

Organiser's obligatory advertising is the name of the Rally.

6.2. Optional advertising proposed by organiser

Competitors who accept the organiser's optional advertising must reserve an area as shown in Appendix IV. Optional advertising will be announced in a bulletin.

6.3. Loss or removal of advertising

If it is ascertained at any point during the rally that an advertising plate (or any other type of advertisement) supplied by the organiser is missing from a car then the crew shall be penalised with a fine of €200 for each missing advertisement or if the advertisement is not placed according to the Appendix IV attached.

6.4. Competition numbers and rally plates

Competition numbers and rally plates according to Article 18 of the 2018 FIA Regional Rally Sporting Regulations, supplied by the organiser, must appear on both front doors of the cars during the whole rally. If it is ascertained at any time during the rally that:

- a competition number or one rally plate is missing, this will be penalised with **€150**.
- Both competition numbers or both rally plates are missing, this will be reported to the Stewards.

6.5. The first initial(s) and surname of both driver and the co-driver, followed by the national flags of the country of the ASN from which they have obtained their licences, must appear on the rear side window on both sides of the car, adjacent to the competition number. The name must be:

- In white Helvetica
- In upper case for the initial(s) and first letter of each name with the remainder in lower case.
- 6cm high and with a stroke width of 1.00cm.

The driver's name shall be the upper name on both sides of the car.

6.6. **Advertising of tobacco, tobacco products and imitations, as well as smokers' requisites is forbidden by the Laws of the Republic of Cyprus, on cars, competition/service equipment and on the team members' outfits.**

6.7. Car must be presented to scrutineering with the rally plates, competition numbers, optional advertising and ERC Promoter stickers affixed.

7. TYRES

- 7.1. All the cars must be fitted with moulded tyres. Hand cutting or modification of the specified tread pattern is not permitted. Only marked tyres may be used on special stages.
- 7.2. Treatment of Tyres
Any chemical and/or mechanical treatment of tyres is prohibited.
Any device for heating the tyres once fitted on the rim is prohibited.
Whether fitted on rims or not, keeping tyres in an artificially heated environment below 35°C is allowed.
- 7.3. Barcode Number
Each tyre must have a specific moulded barcode number supplied by an FIA-approved barcode supplier. These barcodes will be used to check that the same tyres remain fitted to a particular car between tyre changes and that competitors are not exceeding the maximum quantities allowed. The tyre barcode must always be visible from outside the car.
- 7.4. Tyre Quantities (this applies to ALL DRIVERS)**
- 7.4.1. For ERC1, ERC2 drivers, Priority drivers and non-priority drivers entered with an R5 or S2000 car, a maximum of **18 tyres** may be used during the rally.

For MERC1, MERC2 drivers, Priority drivers and non-priority drivers entered with an R4 car, a maximum of **18 tyres** may be used during the rally.
- 7.4.2 For ERC3 drivers and non-priority drivers entered in a 2WD car, a maximum of **14 tyres** may be used during the rally.
- 7.4.3. For non priority drivers entered with Group NR4 cars, number of tyres is free but tyres will be marked as per art.7.6..
- 7.4.4 For competitors eligible to take part in Free Practice/qualifying, tyres will be taken from the overall quantity as per ERC Art.62.1. For competitors taking part in the shakedown, tyres used during the shakedown will not count in the overall quantity.
- 7.5. In accordance with art.60.13 of the 2018 FIA Regional Rally Sporting Regulations all tyres used must be readily available commercially.
- 7.6. Tyre marking procedure**
A wheel/tyre marking/ barcode reading zone may be established at the exit of the authorised service parks or remote service zones and at the start of the Free Practice/Qualifying Stage. For the sole purpose of assisting the tyre marking procedure, one team member for each crew may access the zone except before the Free Practice/Qualifying Stage.
The crew has to stop its car and wait for the instructions of the scrutineers and/or marshal, in the absence of scrutineers or marshals, the crew may leave the zone without stopping. A tyre mark checking zone may be established at the entrance of the authorised service parks and remote service zones.
For the Free Practice and Qualifying, the spare wheel will not be counted for the overall quantity of tyres.
- 7.7. Any breach of the tyre regulations will be submitted to the Stewards.

8. FUEL

- 8.1. FIA fuel must comply with article 252.9.1 of Appendix J.
Super unleaded 98 octane fuel is widely available in Cyprus.
The competitors are responsible for checking the conformity of the event fuel each time they receive delivery, and before it is used in competition.
- 8.2. All competitors should only refuel at the refuelling area at the exit of the Service Park and at the areas for Refuelling only which are indicated in the Road Book. In these areas, any kind of servicing is prohibited. Maximum two team members shall be allowed to refuel the car, but shall not be allowed to do any other work on the car.

9. RECONNAISSANCE

9.1. Procedure for registration

- 9.1.1. Reconnaissance will be run in accordance with Article 25 of the 2018 FIA Regional Rally Sporting Regulations.
- 9.1.2. Reconnaissance cars must be in conformity with Article 25.1 of the 2018 FIA Regional Rally Sporting Regulations.
- 9.1.3. When registering for reconnaissance one of the crew members must be present to sign an indemnity and register the details of the reconnaissance car (spare recce car, if any), mobile telephone number and contact details of the place of residence.
- 9.1.4. The Reconnaissance Registration Form can be filled in during the Preliminary Documentation on **Tuesday 12th June 2018** at the Rally HQ.

9.2. Specific and/or national restrictions – speed limit

- a. It is emphasized that reconnaissance is not practice. The competitors must drive in a manner that does not endanger or cause inconvenience to traffic or people living near the stages. All road traffic laws of Cyprus must be strictly complied with and the safety of other road users must be respected.
- b. Reconnaissance is **PROHIBITED** from the publication of the itinerary to the aforementioned dates. The presence of any entrant and/or crew member entered in the rally on any part of a special stage, in any way whatsoever, is considered as reconnaissance. If any crew and/or competitor is found, between both dates, on any part of any special stage to be used in the rally, he or she will be reported to the Stewards who may apply penalties at their discretion.
- c. Crews are required to present their reconnaissance time card at the start and finish of all special stages. Crews will only be permitted to enter and leave special stages through the start and finish controls shown in the Road Books and may not, under any circumstances drive in a direction opposite to that of the Rally.
- d. The **maximum speed limit of 80 kph** (or as specified) is imposed on all special stages during reconnaissance unless the organizers introduce a lower speed limit.
For the **Nicosia super special stage the maximum speed limit of 50kph** is imposed.
In compliance with Article 20.2.2 of the 2018 FIA Regional Rally Sporting Regulations, speeding during reconnaissance will incur a fine applied by the clerk of the course as follows:
- **€ 25 per km per hour over the speed limit.**
- The amount of this fine will be unaltered by any fine imposed by the police. The fine will be doubled in case of a second offence committed during reconnaissance in the same rally.
- e. Reconnaissance is restricted to 2 passes in the same special stage.

9.3. Registration, Installation of Tracking and speed control devices

- 9.3.1. Registration for reconnaissance will take place as stated in the Rally Programme. At that time reconnaissance number plates, time cards and the schedules will be issued.
- 9.3.2. **All recce cars will be fitted with a monitoring system** of the speed and recce car position. A **deposit of €200,00** will be required. The Reconnaissance GPS tracking system has to be used at all time during reconnaissance.

10. ADMINISTRATIVE CHECKS

10.1. Documents to be presented

The following will be checked at the administrative check:

The administrative check will take place on **Thursday 14th June 2018** between **14:00-19:00** hours at the Scrutineering area. **For the preliminary documentation and the administrative checks competitors may appoint a representative and/or a team manager (duly assigned in writing) for their entries.**

11. SCRUTINEERING, SEALING & MARKING

11.1 Location and timetable:

Scrutineering and marking will take place at the Mercedes-Benz workshop, Evropis 9, Aradippou 7100, Larnaca (GPS 34.54.404N, 33.34.248E).

11.2. Times/schedule

From 14:30 to 19:00 hours on **Thursday 14th June 2018**, according to a time schedule to be issued at Preliminary Documentation.

11.3. Scrutineering provisions:

- Cars must be presented to the scrutineers with the competition numbers, rally plates, the optional advertising and the ERC promoter stickers affixed on the car before entering the scrutineering venue.
- In compliance with Article 4.3 of the 2018 FIA Regional Rally Sporting Regulations, FIA technical passport is mandatory for S2000, R5, Super 1600 cars. RGT cars must have a valid FIA RGT technical passport in compliance with 2018 App.J Art256.
- The use of silvered or tinted film, complying with Appendix J, Article 253.11, is authorized only on the rear windows.
- The crew must show the car's complete **original homologation** form as well as any appendices to this form. Any infringement will be reported to the Stewards.
- The control of drivers' helmets and equipment as well as the head restraint (HANS device) will take place at the scrutineering. The helmets must meet one of the standards listed in technical list no.25 of Appendix J. Each helmet used by the crew will have to be identified and marked during the scrutineering before the start. This marking may be checked on the start of each special stage.
- In accordance with ISC Appendix L, Chapter III, Article 3.2., the wearing of an FIA homologated Frontal Head Restraints (FHR) is **MANDATORY** for all drivers and co-drivers. Drivers' and co-Drivers' overalls as well as underwear, gloves, balaclava, boots homologated to the FIA 8856-2000 standard and will be checked at the scrutineering.

12. OTHER PROCEDURES

12.1. Tracking Devices

In compliance with Article 65.2 of the 2018 FIA Regional Rally Sporting Regulations competing cars will be fitted with data logging and tracking devices that will give an accurate trace of the position, movement and status of all competing cars during special stages and liaison sections of the rally.

Any attempt to tamper with or to interfere with the data logging devices fitted to competing cars, or any device that fails to record a trace due to interference by the Crew will be reported to the Stewards who may impose a penalty that may go as far as disqualification.

All competing cars must follow the rally route as this is determined by the organizer and outlined in the Road Book. No deviation is allowed and no tolerance from the rally route is permitted.

Competitors are obliged to pay a deposit of €200 for the tracking units installed on their vehicle. This amount will be refunded to them upon returning the devices.

12.2. Ceremonial Start

The ceremonial start will be on **Friday 15th June 2018** at the Larnaca Promenade (Finikoudes) at **19:00** hours. Cars will be started at **1 (one) minute** intervals.

12.3 Official Time

Throughout the rally, the official time will be based on **GPS time signals**.

12.4 All cars will be started at **2 (two) minutes** intervals for ALL stages.

12.5. The starting order of the 2nd Leg will be determined according to Art.45.4 of the 2018 FIA Regional Rally Sporting Regulations–V1 ERC.

12.6 Time card change during the rally

Time cards will be given/exchanged at the following time controls:

Section 1	TC0	Service Park Out
Section 2	TC3A	Regrouping IN & Technical zone IN
Flexi Service B	TC6B	Parc Ferme OUT, Flexi Service IN
Section 3	TC6E	Parc Ferme OUT
Section 4	TC10A	Regrouping IN & Technical zone IN

12.7 Starting system of special stages

Special stages commence from a standing start, with the car placed on the starting line. Any car not able to start from this point in the 20 seconds following a signal to do so is excluded and the car is immediately removed to a safe place.

A false start will be detected by manner of photocells placed ahead of the starting line.

The electronic start procedure shall be clearly visible to the crew from the start line and may be displayed as a countdown clock and/or a sequential light system. The electronic start procedure may be coupled to a device to detect and record if a car leaves the start line ahead of the correct signal (false start). The electronic start system will be described in a bulletin.

12.8 Early check-in at the end of Leg

Crews are authorised to check in early without incurring penalty at TC6A Parc Ferme & Technical zone IN and TC6C Flexi Service OUT (end of Leg).

12.9 Restart on Leg 2 after retirement in Leg 1

12.9.1 General

Any crew which has failed to complete a Leg can re-start the rally from the start of the next Leg, only after they confirm **in writing** their intention to the Clerk of the Course **one hour prior** to the publication of the start list of the subsequent Leg. The competitor must advise the organiser of the reason for retirement (e.g. accident, technical problems, etc) and the intention to have the car re-scrutineered. **This applies to ALL competitors.**

12.9.1.1 This shall apply to any car which has been not classified on the grounds of exceeding the time limit or has failed to report to a control, but shall not apply where the car has been excluded for breach of eligibility requirements, traffic infringements or by a decision of the Stewards.

12.9.2 Penalties

For all crews which re-start, a time penalty will be applied. This time penalty will be as follows:

12.9.2.1 For every stage or super special stage missed: **7 minutes.**

12.9.2.2 However, should the first special stage or super special stage that is missed be the last stage before an overnight regroup, the penalty will be **10 minutes.** This 10-minute penalty can be applied only once in a rally.

12.9.2.3 This time penalty will be added to the fastest time of the driver's group for every missed stage, which shall include the special stage or super special stage on which the crew has retired.

12.9.2.4 Should retirement occur after the last special stage or super special stage before an overnight regroup, the crew will nonetheless be deemed to have missed that last special stage or super special stage.

12.9.3 Repairs and Scrutineering

12.9.3.1 Service location and time allowed

Any car which fails to finish a Leg in accordance with the above may be repaired at the competitor's discretion. However, the car must report to the overnight regroup prior to the next Leg, no later than **1 hour before the scheduled start of the first car. This applies to ALL competitors.**

12.9.3.2 Scrutineering of repaired cars

The car must retain its original body shell and engine block as marked at pre-event scrutineering. The competitor must be represented during this re-scrutineering at a time to be advised by the organisers.

12.10. Accident reporting

If a crew is involved in an accident in which a member of the public sustains physical injury, the driver or co-driver concerned must remain at the scene and stop the following car, which must report this to the next radio point as specified in the road book and signed on the route. The laws of the country in which the rally is run

must also be complied with in relation to procedures at accidents. All crews stopped by the procedure will be allocated a time according to Article 39 of the 2018 FIA Regional Rally Sporting Regulations.

- 12.11** Flexi service at the end of Leg 1 is permitted as per Article 51 of the 2018 FIA Regional Rally Sporting Regulations.
- 12.12 Special stage timing will be to 1/10th of a second.
- 12.13 Excessive speed during the rally:
In compliance with Article 20.3 of the 2018 FIA Regional Rally Sporting Regulations, speeding during the rally will incur a fine applied by the clerk of the course:
- **€ 25 per km per hour over the speed limit.**
The amount of this fine will be unaltered by any fine imposed by the police.
- 12.14 Service Park**
There is one Service Park for the entire rally. The Service Park will be located at Falirou Street (Harbour Parking Plot), close to the Rally HQ. GPS references of the **Service Park: N34 55.11.35 E33 38.14.20 (Service Out)**
The Service Park layout will be published in Rally Guide.
- 12.15 Super Special Stage**
12.15.1 SS8 (Super Special) will run on Sunday 17th June 2018.
- 12.15.2 **Gravel Tyres** are obligatory for the super special stage.
- 12.16 All cars authorised to take the start with their crews must be driven to into the Starting Zone at any time between **17:00-17:45** hours on Friday 15th June 2018. A penalty of €50 per 15-minute delay shall be imposed, to a maximum of 30 minutes. Cars arriving after a 30minutes delay will not be authorised to start.
- 12.17 Competitors are obliged to clarify on the entry form the championship for which they are competing. Bonus points will be applied on each leg.

15. FINAL CHECKS AND PROTESTS

15.1. The Final Scrutineering will take place at the Mercedes-Benz Larnaca workshop, Evropis 9, Aradippou 7100, Larnaka, (GPS 34.54.404N, 33.34.248E), on Sunday 17th June 2018 at 19:30 hours.

Cars subject to final checks (decision of the Stewards) must have one representative of the entrant as well as mechanics (in case of dismantling) present at the final check.

15.2. Protest Fees

Sum of the protest fee set by the ASN: €1.000 (art.55.2 of the 2018 FIA Regional Rally Sporting Regulations).

If the protest requires the dismantling and the reassembly of different parts of a car, the claimant must pay an additional deposit of €400 per art.55.3 of the 2018 FIA Regional Rally Sporting Regulations.

15.3.1 The expenses incurred by the work and by the transport of the car shall be borne by the claimant if the protest is unfounded, or by the competitor against whom the protest is lodged if the claim is upheld.

15.3.2 If the protest is unfounded, and if the expenses incurred by the protest (scrutineering, transport, etc) are higher than the deposit amount, the difference shall be borne by the claimant. Conversely, if the expenses are less, the difference shall be returned to them.

15.4.	Sum for an international appeal deposit (FIA):	€3.000,00.
15.5.	Sum of a national appeal deposit (ASN):	€1.000,00.

APPENDIX II – RECONNAISSANCE SCHEDULE

APPENDIX III - COMPETITORS' RELATIONS OFFICER

The Competitors' Relations Officer is:

Maurice Raphael

PRINCIPAL MISSIONS

Inform the competitors and play a mediating role at all times.

This post must be entrusted to an official in possession of a licence issued by their ASN as it implies certain knowledge of the general regulations. They may attend the meetings of the Stewards, in order to keep abreast of all the decisions taken.

The competitors' relations' officer must be able to be easily identified by the competitors. To this end it is advisable that:

1. They wear a very conspicuous badge or tabard.
2. They are introduced to the competitors at the drivers' briefing.
3. Their photograph be included in the Supplementary Regulations or in a bulletin if possible.

PRESENCE DURING THE RALLY

When the secretariat is opened, they should have the secretary of the meeting draft a schedule of their duties which shall be posted on the notice board of the rally and which shall include:

- Presence at scrutineering
- At the secretariat of the meeting
- At the start of the rally
- At the regrouping halts
- Parc Ferme at the end of sections
- Near the Parc Ferme at the arrival (the latter being dependent on the rally timetable).

Function:

- Give accurate answers to all questions asked.
- Provide all information or additional clarifications in connection with the Supplementary regulations and the running of the rally.

Mediation:

Avoid forwarding questions to the stewards that could be solved satisfactorily by a clear explanation with the exception of protests (for example, clarify disputes over times, with the assistance of the time-keepers).

The Competitor's Relations Officer shall refrain from saying anything or taking any action, which might give rise to protests.

APPENDIX IV – COMPETITION NUMBERS AND ADVERTISING

APPENDIX V – EXTRACTS FROM FIA APPENDIX L

1. HELMETS

All drivers must wear crash helmets which meet one of the standards listed in FIA Technical List no.25.

2. FLAME-RESISTENT CLOTHING

On special stages of rallies, all drivers and co-drivers must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List no.27).

Users must ensure that garments are not too tight, as this reduces the level of protection.

Embroidery sewn directly onto the overalls shall be stitched onto the outermost layer only, for better heat insulation. Backing material of badges and thread used for affixing them to the overalls must be flameproof.

3. FRONTAL HEAD RESTRAINT (FHR)

The wearing of any device intended to protect the head of neck and attached to the helmet is prohibited, unless the device has been homologated according to the FIA 8858 standard. Homologated FHR systems are listed in the FIA Technical List no.29.

FHR systems must be worn only with FIA-approved items according to the following chart:

Helmet	Tether system (tether, tether end fitting and helmet anchorage)
FIA 8860 (Technical List no.33)	FIA 8858 (Technical List no.29)
FIA 8858 (Technical List no.41)	

For more details when the device used is the HANS, the “Guide for the Use of HANS in international motor sport” published by the FIA Institute for Motor Sport Safety, can be found on www.fia.com, under the heading FIA Sport Regulations, Drivers’ Equipment.

4. SAFETY BELTS

Drivers must be properly restrained in their seat by safety belt in conformity with the specifications of Appendix J for the vehicle concerned, at all times during an event when it is mobile on a circuit, pit lane, special stage or competition course.
