1. WELCOME

1.1 FOREWORD

The Rally Italia Sardegna is for Automobile Club d'Italia, the Italian federation of motorsport, the main event as a profusion of men and means throughout the sporting season. An event that sees us in the front row from all points of view and that involves, under the guidance of ACI Sport, hundreds of women and men belonging to our federation.

When the dust raised by the cars in the race is still in the air, many of them are already thinking about the next edition, analyzing what has happened and always thinking of new ideas, a job that never stops. Thanks to this constant commitment, Rally Italia Sardegna has become one of the best races of the World Rally Championship reaching levels of absolute excellence in many sectors.

In this introductory message to the 2019 edition of the World Event, let me first of all express my deep pride for the results obtained and thank all the organizational staff, which allowed the race to grow and reach extraordinary levels, widely recognized by the FIA and the WRC Promoter. In this message to these two great realities of motorsport, my greeting goes, in particular to the FIA, the international federation, the soul of the world of motorsport and to the friend President Jean Todt, who has always been close to our race and to all the initiatives of the Automobile Club d'Italia.

A federation, the FIA, of which I am honored to hold the position of Vice President, and that is particularly attentive, strong, and that has always understood the uniqueness of Rally Italia Sardegna as an extraordinary ambassador of the beauty of motorsport in the world. But now we are practically there; the race is now imminent and everything has already been prepared to start, from the extraordinary route that will combine technical difficulties, to the spectacular and the beauty of the places crossed. An area made among other things unique by the passion of its inhabitants for the rally.

A population and a Sardinia Region that over the years have increasingly appreciated this event that, today and in all respects, they consider like their own too. This fact is borne out by the support we have always received from the various territorial authorities. The Rally Italia Sardegna is therefore ready and waiting for all the protagonists of the World Rally Championship and the fans who will arrive in Sardinia from all over the world. I extend my most warm welcome to all.

Angelo Sticchi Damiani

President of Automobile Club Italia

Vice President of the FIA

1.2 EVENT PRESENTATION

The Rally Italia Sardegna confirms the format of the last editions: Alghero as the venue of the event, 19 special stages for 313 timed kilometers, the Ittiri Super-Special on Thursday afternoon and a lot of television from Thursday 13 to Sunday 16 June, until the final podium and the now traditional swim in the sea of Alghero for the winner of the Italian Rally Championship.

On the sporting front, the novelty is the full entry of the Italian Championships: in the CIR will be disputed race 1 (Thursday + Friday) and race 2 (Saturday + Sunday), the CIRT race 1 (Thursday + Friday). There will also be room for the JuniorCIR for a comparison in the Sardinian land with peers competing in the JuniorWRC.

The 2019 Service Park will always be located between the quays of the marina, the “ramblas” of the Bousquets walk and the Piazzale della Pace, while the headquarter of the event will remain in Lu Qualté, historic building in the center of Alghero undergoing radical restoration and inaugurated in 2015.

Calata Sassari and its bastions will host, instead, the Podium, which will be the venue for the departure ceremony and the arrival, followed by the Olympic award ceremony as well as evening shows and side events around the sporting event. Finally, the Parc Fermé for the first time, which will be hosted on Lungomare Bousquets, inside the Service Park.
