1. INTRODUCTION / WELCOME

Dear sports friends and spectators,

It is a privilege to welcome you in the first WRC Croatia Rally 2021!

Automobile clubs D. T. and Cro Dakar Team with technical support of automobile club Delta Sport from Zagreb decided to enter the organization of the competition, together with the Croatian Automobile & Karting Federation, in order to improve the quality of event at all levels. Using our experience in the competition and organizational segment our wish of bringing the WRC in Croatia come true.

By carefully selecting the members of the organizing committee, we have created a team which will set new standards in following years by their knowledge and work. Our wish is that these standards meet those of the world's most prestigious races. The recipe is simple - a combination of youth and experience guarantees us fresh, but also tested ideas in one place. As co-organizers we will pay special attention to safety. Of the spectators in the first place, but of the crews as well.

We believe that our efforts will be recognized by the drivers and the spectators, but also the population of Croatia. Their mutual satisfaction is our main goal, and it could not be accomplished without the help of partners and the local community. We consider WRC Croatia rally to be an event that will serve to honor all of Croatia and become a great promotion of its natural beauty, as well as the cultural and historical heritage.

We wish Crews and their staff a successful appearance on the first WRC Croatia Rally, and spectators to enjoy attractive and fast rides.

Best regards,

President of Organizing committee
Daniel Šaškin

1.1. Croatia Rally, yesterday, today, tomorrow

Croatia Rally is the oldest, most difficult and most popular car racing event in Croatia. Its history dates back to 1974, when the first one was held under the name INA Delta TLX Rally. In following three years a race grew from regional character into a national championship event of former Yugoslavia. Extremely long itineraries to mid eighties passed through Gorski Kotar, Lika, Primorje and Continental Croatia. In 1986, race entered the FIA calendar for the first time and attracted crews from Austria, Germany, Czech Republic and Slovakia. That same year it was nominated for the European Championship.

In the second half of the eighties the rally moved to Zagreb and its surroundings. Special stages were located at Žumberak, Plešivica, Zagrebačka gora and Hrvatsko Zagorje. Delta Rally which was slowly becoming recognized internationally passed a very difficult period during the war in Croatia. However, at the time, race recorded rapid growth year after year. European prefix was awarded to the rally in 1992. Perfect organization of AC Delta from Zagreb brought increase of the coefficient to the rally year after year. In 1995 the race was held with a coefficient of 10, and organizer nominated it in 1996 as the Croatia Delta Rally for the highest step of the contemporary European Championship - 20. But another 11 years passed before that step was reached.

In late 2006 FIA has reported in Zagreb much-anticipated news that Croatia Delta Rally next year will be in the calendar of the European Rally Championship - ERC. After three successfully organized races of the European Championship, the economic recession has caused the relocation of the race from Zagreb to Rijeka. A race called Croatia Rally was organized in year 2010 by the Automotive Association of Primorje-Gorski Kotar County, and in the next two years by Rijekas AC MRC. Special stages were held in Gorski Kotar, Učka, Čićarija, Istria, and particularly attractive Super special stage at legendary track Preluk.

In year 2013 Croatia Rally once again moved. This time to Istria and the town of Porec, which was the host and co-organizer of the event. The rally was organized by the Croatian Automobile & Karting Federation and the special stages were driven at Učka, Čićarija in the triangle of the cities of Buzet, Motovun and Pazin.

The most wins in the history of Croatia Rally were achieved by Slovenians, driver Branislav Kuzmič and as a co-driver Rudi Šali, each with five wins. They are followed by Croatian crew Juraj Šebalj - Toni Klinc with four victories and Croatian driver Tihomir Filipović and co-driver Davor Devunić, with three victories each.

2021 edition of WRC Croatia rally organized by AC DT and AC Cro Dakar with a partnership of City Zagreb and technical support of AC Delta Sport, Zagreb, is to be held for the first time.
