# 1. Welcome

## 1.1 Introduction

Since 1905, the Automobile Club of Italy, an entity that gathers one million members, has represented the Italian motorsport in the world, organizing or promoting all motorsport events in Italy, always under the aegis of the FIA. Our task, however, is particularly vast and ranges from the formulation of regulations, to the organization and recruitment of Race Officials, to the homologation of the routes and of the technical material to be used in the car series, to the constant promotion of automotive sport in our country, research and training of new talents, up to the organization and management of international events. The pandemic that devastated year 2020 and which still shows all its brutality has also forced the racing world to find alternatives to study new ways to continue to exist. In this difficult year, therefore, only the most competent and prepared structures have emerged, those that in a few months have managed to regain balance and energy to move forward. The strength of the Automobile Club d'Italia, its ability to look ahead and adapt to the moment, has made it the National Federation of reference worldwide, as demonstrated by the dispute on the national territory of three Formula 1 Grand Prix and two rounds of the FIA World Rally Championship. One of the flagships of our Federation is certainly the Rally Italia Sardegna, a race that over the years has become one of the most important in the WRC. An event favoured by being able to take place on an unique place, the wonderful Sardinian island, by the fact that it has always been strongly supported by the territory starting from the Sardinia Region and by all the local bodies and authorities, such as the municipalities of Olbia and Alghero, but which finds its lifeblood in the women and men of ACI Sport who, in every sector, have made their talent and expertise available in order to improve and make an ever-growing event practically perfect. And it is in this way that thanks to the synergy between the FIA, the Territory, the professional skills and the investments made by ACI that, once again this year, we are ready to give the whole world of motorsport a new fascinating edition of this unique event of its kind. Welcome to Italy, welcome to Sardinia, welcome to the 2021 Rally Italia Sardegna.

Eng. Angelo Sticchi Damiani  
President Automobile Club d'Italia
