1. Introduction

1.1 Welcome Note from the Organisers

A VERY WARM WELCOME

Kenya is delighted to host the sixth round of the 2021 World Rally Championship (WRC) slated for the 24th to 27th June 2021.

The Safari Rally, as it known today, was first held in 1953 to commemorate the coronation of Her Majesty Queen Elizabeth II. In its early days, the Safari Rally traversed the three East African Countries; Kenya, Uganda and Tanzania. Due to its robust character, the Safari Rally quickly gained global recognition as the “World’s Toughest Rally,” a reputation it has kept to date. In 1978, it became a full round of the World Rally Championships featuring in the World Rally Championship series until 2002.

After an 18-year break, H.E President Uhuru Kenyatta directed that it was time to bring the Safari Rally back home. This year, to the jubilation of all motorsport lovers in the region, the Safari Rally returned to the prestigious World Rally Championship following months of enriching engagements with the Federation’ Internationale Automobile (FIA) and the WRC Promoter. On behalf of the kind, hospitable people of Kenya and the entire continent of Africa, it is my pleasure to welcome you to the home of the Safari Rally, the silicon savannah, the cradle of mankind, the land of endless possibilities and undisputed abode of the “BIG FIVE” Your Safari experience will take you to the heartland of the Rift Valley where freshwater lakes adorned by beautiful flora and fauna have defined the beauty of our country for many centuries.

You will navigate the endless horizons of the golden plains as you savour the splendour of the Safari Rally. It is my hope that we will grow this experience to cover other unexplored parts of our country as we seek to re-connect generations and entrench the Safari experience back into the legendary books of the WRC.

The Government of Kenya guarantees you the adventure of a lifetime in our secure and welcoming Nation.

AMB. (DR.) AMINA MOHAMED, EGH, CAV
CABINET SECRETARY FOR SPORTS, CULTURE AND HERITAGE

MESSAGE FROM THE CHAIRMAN ORGANIZING COMMITTEE

It is my pleasure to welcome you all to the World Rally Championship Safari Rally Kenya. We are all excited to welcome the Safari Rally back to the WRC after 19 Years of waiting. The return of the Safari elicits fond memories of yester years and promises a different flavor in the rich menu of World Rally championships.

The Safari Rally was known for its tough and unforgiving nature characterized by long, day and night stages, the unpredictable weather and the ever, changing terrain remains a major challenge for the organizers and competitors. The 2021 Safari Rally is expected to be an event like no other capable of pulling surprises.

The Organizing and the Steering committees backed by the Government of Kenya under the patronage of His Excellency Uhuru Muigai Kenyatta, The President and Commander in Chief of the Defense Forces of the Republic of Kenya is committed to deliver a world class event to be enjoyed by both the Competitors and all the visitors to our beautiful country, Kenya.

The support of the FIA President, The WRC Promoter and his team and the commitment of the Government of Kenya, as well as the entire leadership of the Ministry of Sports Culture and Heritage is highly appreciated.

On behalf of the hospitable people of Kenya and the Kenya Motor Sports Federation, let me take this early opportunity to welcome you to Kenya.

PHINEAS KIMATHI, MBS

CHAIRMAN, ORGANIZING COMMITTEE

1.2 The 2021 Event in brief

The event will take place in the Great Rift Valley, around Lake Naivasha & Elmenteita with the Service Park being at the KWS Training Institute, Naivasha on the main Nairobi to Nakuru Road. Administrative checks will begin on Monday 21 June in Naivasha and reconnaissance will start later that day at 1100hrs. Reconnaissance will continue until Wednesday lunchtime followed by...

Wednesday 23 June

Shakedown takes place from 1301hrs within the Ndulele Conservancy. A breathtaking backdrop with spectacular spectator viewing areas. The first time a modern-day WRC Rally car will have set foot on African soil in 19 years.

Thursday 24 June

Reconnaissance of the Kasarani Spectator Stage (SS1), by All Crews in their WRC cars from 07.30hrs. Kenyatta International Convention Centre – 11.00hrs press conference followed by the Ceremonial Start at 12.46hrs. The WRC Safari Rally returns to its more traditional start, in the heart of the capital city, Nairobi.

After an absence of nearly 2 decades, WRC cars driven by the best in the world will begin their 2021 WRC Safari Rally campaign in earnest with a side by side race on the purpose built Super Special Stage at Kasarani from 14.08 hrs

**Friday 25 June****Section 2 Starts at 07.15hrs****SS2 / SS5 Chui Lodge 1 & 2 – 08.20 / 13.39 – 13.34kms**

Situated to the south west of Lake Naivasha, Chui Lodge and Oserian stages are all situated within the Oserengoni Wildlife Conservancy Estate. Neither have been used as rally special stages before.

SS3 / SS6 Kedong 1 & 2– 09.16 / 14.45 – 32.68kms

Kedong has hosted stages of the Safari Rally for decades. 2021 is no different being SS3 & SS6 of the event. A new layout of the stage from 2019 has been devised for this year. Kedong will host two large spectator areas. One at the lake end, second adjacent to Longonot.

SS4 / SS7 Oserian 1 & 2– 10.29 / 15.58 – 18.87kms

Although just on the other side of the hill from the Chui Lodge stage, Oserian is the faster of the two set on the African plains. It offers a very different surface and vegetation.

**Saturday 26 June****Section 4 Starts at 06.55hrs****SS8 / SS11 Elmenteita 1 & 2– 08.08 / 14.05 – 15.00kms**

Using tracks from Safari Rally of old, the stage takes in roads of the Soysambu Conservancy on the Delamere Estate and features new sections. The Delamere Estate has been part of the Safari Rally for decades and the support the family has for the rally is enormous

SS9 / SS12 Soysambu 1 & 2 – 09.08 / 15.08 – 20.33kms

Soysambu will feature as the WRC Live TV stage. With a large spectator and hospitality area* at the start where there will be an opportunity to get up close to the cars before they start the special stage. Soysambu will be host to two large spectator areas. One at the start and one at the finish of the stage

*Subject to Covid-19 protocols

SS10 / SS13 Sleeping Warrior 1 & 2– 10.22 / 16.22 – 31.00kms

In the shadow of a hill that resembles a Masai Sleeping Warrior, the special stage criss-crosses the natural plain before a rocky finish. The longest stage on Saturday it will be tricky for the crews whose tyres will have to cope with high-speed sections versus the coarse lava road surface.

Sunday 27 June

Section 6 Starts at 06.55hrs

7

SS14 / SS17 Loldia 1 & 2– 07.56 / 11.25 – 11.33kms

The special stage takes place throughout a wooded forest, with tracks that can be very narrow to flat out sections reminiscent of Safari's of past days. The forest makes it feel very different to all the other special stage.

SS15 / SS18 Hell's Gate 1 & 2– 09.08 / 13.18 -10.56kms

With perhaps the most scenic backdrop of any of the Power Stages on the World Rally Championship, Hell's Gate is going to sign off Safari Rally on a high. With the finish line of the final stage alongside the picturesque Ficher's Tower. A great opportunity for spectators to get close to the action of the final day and Power Stage

SS16 Malewa – 10.52 – 9.71kms

A rocky stage, with a lot of ninety-degree junctions across its hilly terrain. It is of a different character to the Friday and Saturday special stages. The loose surface will make those drivers who are looking to preserve their tyres in the best conditions for the Power Stage think carefully about their driving lines.

1.3 Safari Rally History

The Safari Rally was first held in 1953, as the East African Coronation Safari in Kenya, Uganda and Tanganyika, as a celebration of the coronation of Queen Elizabeth II. In 1960 it was renamed the East African Safari Rally and kept that name until 1974, when it became the Kenya Safari Rally. Widely regarded as one of the most popular African rallies, it's set to make a return to the World Rally Championship (WRC) in 2021 after a 19-year hiatus.

The older version of the Safari Rally was notorious for being the most difficult rally in the World championship. Some had said that winning this particular rally was the equivalent of winning three other rallies. The arduous conditions, such as the constantly changing weather and the very rough roads often made life very difficult for team personnel.

Repairs were constantly having to be made to the cars, which added to the elapsed time of the competitors. Frequently, all this work had to be done in intense heat and humidity. The event adopted the special stage format in 1996. From that edition until 2002, it featured over 1000 km of timed stages, with stages well over 60 kilometres long, unlike most rallies which had under 500 kilometres of total timed distance. The event exited from the WRC calendar in 2003. Since 2003 the event has been part of the FIA African Rally Championship, organised by the Kenyan ASN.

On the 27 September 2019, The Safari Rally was readmitted into the WRC championship calendar starting with the 2020 rally between 16 and 19 July. This unfortunately was not to be with the COVID 19 Pandemic which affected many events across the world. The 2021 event will take place between 24-27 June, 2021

5. Service Park

Service Park form can be found here: <https://tinyurl.com/1iurg59m>

5.1 Location

Service for Safari Rally will take place at The Kenya Wildlife Training Institute in Naivasha. The GPS reference for the Service Park in Naivasha is:

S0° 44.031' E36° 27.163'

Elevation: 2018m

The Service Park is located in an outdoors secured area on a hard-levelled surface. Competitors wishing to use a joint service area with another competitor must inform the organisers by Thursday June 03, 2021 by completing the Joint Service Request form.

All teams will be required to use a ground protector for each of the vehicles serviced.

It is recommended for P1 teams to send a service area and/or workshop layout to place containers according to requirements, thus avoiding extra use of cranes. This information should be e-mailed to info@safarirally.co.ke

5.2 Service Area

- Manufacturer 2-cars: as 2021 WRC Regulations 900 sq m
- Manufacturer 3-cars: as 2021 WRC Regulations 1300 sq m
- WRC Team 1-cars: as 2021 WRC Regulations 120 sq m
- WRC2 Teamas 2021 WRC Regulations 100 sq m
- WRC3 Team 1-car: 100 sq m
- Other Entrants 1-car 100 sq m
- Other sizes may be available for a fee upon request for WRC 3 and Non-Priority Teams. Please contact the organiser at info@safarirally.co.ke

5.3 Access to Service Park

Competitors can access the service park from Friday 18 June at 10:00hrs . Only competing cars and vehicles with special windshield decals “Service” and “Auxiliary” issued by the organizers will be allowed in the Service Park. Manufacturer and overseas competitors with freight can, by appointment, arrange for earlier access to the Service Park.

Please contact the organizers at info@safarirally.co.ke with any special requests

5.4 Facilities

The following extra facilities can be ordered for use in the service area. Please contact the organizers for special requests.

The following facilities will be provided at various points around the service park:

- Toilets
- Waste Removal / Hazardous Waste Collection
- Water (Direct supply to Manufacturers, WRC Teams, WRC2 and WRC3, general outlets for others)
- Lighting
- Wi-Fi - Access details will be provided by the on-site Rally Office
- Car Wash (Not located within the service park)

The following can be provided through the organisers;

- Private Toilets (Manufacturers will be provided as per WRC regulations)
- Waste Removal
- Private Water Supply (may be available, MUST be booked in advance)
- Power Supply (see below)
- Ballast
- Additional security services
- Forklift services
- Crowd barriers / fencing
- Extra service area space

Please contact the organizers for special requests.

Extra facilities can be requested by filling the Service Facilities Request form in the Competitors section of the event's website: www.safarirally.co.ke

These services are offered in addition to those included in the 2021 FIA WRC Regulations.

5.5 Security and Medical Services

•The service park will be under surveillance 24 hours a day starting Monday June 14, 2021. Special security can be hired through the organizers, contact info@safarirally.co.ke

•A 2-bed Medical Centre will be set up and equipped in accordance with the 2021 FIA International Sporting Code, App H Art 5.3.5

5.6 Promotional Stands

Contact the organizers at info@safarirally.co.ke for prices and availability of promotional stands in the Rally Service Park in Naivasha, spectator areas and in the commercial zone at the Super Special venue.

5.7 Traffic Moments

The traffic flow direction shown on the service park layout must be respected at all times by competitors and their service / auxiliary vehicles.

Teams may bring their service/auxiliary and recce car vehicles into the service park, as long as they can park them within their designated area. Otherwise these vehicles must be taken to the auxiliary parking located close to the service park. Any parking of team vehicles outside their designated area in the service park is strictly prohibited.

5.8 Environmental Requirements

A car wash facility will be available near the Service Park. Washing cars within the service park is prohibited at any time. Wheels and other parts may be washed in the designated wash bays set up within the service park.

All competitors must put in place a suitable size plastic ground sheet to cover the whole area where service work is being carried out. This ground sheet must be impervious to all fluids. Cleaning of the ground sheets must be done so that no materials are allowed to come into contact with the ground surface. All waste material must be disposed of in the facilities provided at the service park.

5.9 Service Park Manager

For further additional information please contact the Service Park Manager –

Anthony Gatei:

Tel: +254 722 729 599

Email: anthony@safarirally.co.ke

Please let Anthony know of any special requests as soon as possible and well in advance of the cut off dates (particularly for additional space). This will greatly assist with the planning of the site. Please contact Anthony on the email address above should you have any queries or problems.

5.10 Recovery of Retired Cars

Competitors should contact Rally Control to plan for the recovery of their car.
Telephone: +254 726 961 236

5.11 Retirements and Re-starts

See Article 54 of the 2021 FIA WRC Regulations.

Competitors who retire will be assumed to restart the rally at the next section following an overnight halt. A competitor who has retired and does not wish to re-start must notify the organisers as soon as possible using the form in the road book.

5.12 Power

Generators are permitted in the Service Park however these must be super silent diesel or LPG. Generators must be fenced off to restrict access to competent personnel only.

NO PETROL GENERATORS ARE PERMITTED ON THE SITE AT ANY TIME

6. Two Way Radios

Cellular phones and Family Radio Service stations (Motorola Talkabout) with a range of under 4km are exempt from radio license, provided they comply with the Communications Authority regulations. The use of all other kinds of radio transmitters is regulated by the Communications Authority (and requires a radio license).

Should you require the use of UHF/ VHF frequencies during the rally, please contact info@safarirally.co.ke Throughout the rally, the use of amateur radio frequencies is prohibited.

One of the primary responsibilities of the Communications Authority (www.ca.go.ke) is management of the country's radio frequency spectrum and numbering resources. Management of this scarce resource entails planning and assignment of spectrum to various radio communications services and users.

CA carries out national co-ordination to ensure harmonious sharing of frequencies by various users and services. It also performs international and regional frequency co-ordination to avoid harmful interference of frequency users in different administrations.

The services that require frequency licences from CA include; TV and FM radio broadcasting, cellular mobile telecommunications, satellite communications, aeronautical and maritime radio services as well as emergency and disaster communication services. To ensure that assigned spectrum is used in accordance with the licence terms and conditions, the Authority carries out inspection and monitoring exercises.

Procedure for authorization and licensing of Radio Communication Services

In accordance with provision of Section 36 of the Kenya Information and Communications Act, 1998, all radio communication equipment in Kenya must be owned and/or operated under a license, issued by CA and which must be kept in force at all times by regular payment of the prescribed license fee.

The process of authorization and license administration for radio communication services is as outlined below:

- Private Radio Networks (HF/VHF, Private Paging)
- Amateur Radio License
- Guidelines for use of Wireless Access Systems (WAS) on Shared Non Protected Basis in the 2.4GHz and 5GHz Frequency Bands

8.1 Customs Clearance

Customs clearance and checking of goods is mandatory for temporary import into Kenya. It must be completed at the seaport or airport of entrance.

SeaFreight will be cleared at the Inland Container Depot in Naivasha. Authorities may check papers and cargo during transit from the port of Mombassa. The Consignee must register the customs broker in order to be allowed to perform temporary importation of vehicles and parts for the event.

REQUESTED DOCUMENTS

For all shipments, customs clearing procedures require copy of the following documents to be sent to the agent at least 15 days prior to the estimated date of arrival.

- Proforma Invoice
- Packing list
- Import form duly completed. The form can be found on the official website. (No handwriting will be accepted, Typewriter or Computer printed only)
- Bill of lading / Airway bill. To be sent by fax/e-mail to the agent as soon as equipment is loaded into the vessel
- FIA-AIT carnet is permitted for importation of motor vehicles. ATA Carnet issued by the Chamber of Commerce is not permitted for importation of cars and spare parts in Kenya. Please do not use it
- Spare parts are temporarily imported by supply of a bank or insurance bond for the value of the duty and taxes evaluated by Kenya Customs Authority.

DOCUMENT INFORMATION

PROFORMA INVOICE

Original Proforma Invoice and packing list has to be sent by e-mail on Word/Excel format to info@safarirally.co.ke, specifying all items being sent to KENYA, with their value plus cost of freight and insurance, model and reference numbers. One individual "import form" per vehicle must be completely filled and checked.

All chassis and engine numbers must be correct to prevent any delays for clearing.

PACKING LIST

In order to facilitate customs checking it is very important to complete this document. It must indicate net and gross weights of each box or container and should detail every major item as indicated in the proforma invoice. Hand tools and small elements such as bolts, nuts, etc may be indicated as kit of (...) (approximate number of elements in each kit must be stated). It is advisable that consumables should not be included as these cannot be items imported temporarily.

IMPORT FORM

All documents have to be consigned as indicated hereafter:

WRC Safari Rally Project

Moi International Sports Centre, Kasarani Thika Road, Nairobi, Kenya.

Telephone: +254 710 692 777 / 710 694 441

C/O (INSERT 1, 2, 3, or 4 from your chose clearing agent as listed in the above table)

BILL OF LADING / AIRWAY BILL

For both sea and air shipments it is highly recommended to send these documents as "FREIGHT PREPAID".

All shipments must be consigned to: **(Your respective chosen Forwarding and Clearing agent)**

•BILL OF LADING: Consignee and Notify as stated below.

•Please use "EXPRESS RELEASE/SEA WAY BILL"

* ALL SEA SHIPMENT documents should be sent only in electronic format

•AIRWAY BILL: It should indicate "Jomo Kenyatta International Airport, Nairobi" as airport of destination. Consignee and Notify as stated below.

* All AIR SHIPMENT documents should be sent attached to the Airway Bill.

CONSIGNEE

Invoices and packing list have to be addressed as indicated hereafter:

WRC Safari Rally Project

Moi International Sports Centre, Kasarani

Thika Road, Nairobi, Kenya.

Telephone: +254 710 692 777 / 710 694 441

C/O (Your respective chosen Forwarding and Clearing agent **NOTIFY THE AGENT and the Permanent Secretariat**

Please send a copy to Email: info@safarirally.co.ke

IMPORTANT NOTICE

For OCEAN shipments, the shipper must send, via e-mail, copies of all documents AT LEAST 21 DAYS BEFORE ARRIVAL OF GOODS TO KENYA and 7 DAYS BEFORE ARRIVAL for the AIR shipments. Failing to do this could cause unnecessary delays and extra costs in customs and warehousing.

RE-EXPORTING

Participants must note that all goods sent to Kenya with temporary import status must be re-exported. If not so for any reason, the status should be changed as final import and, if allowed, the participant must pay all duties and taxes within the legal timeframe. In case of total or partial relocation of goods, or change of shipment method (air to sea or vice versa) participants should notify the Agent in advance and with sufficient information in order to fulfil all custom procedures.

8.2 Inland Logistics Procedures

After customs clearance is completed, vehicles and goods will be able to proceed to their final destination at the Service Park, in Naivasha. The organisers will facilitate preferential transport by SGR Rail services for Sea containers to be moved from Mombasa to the Mai Mahiu Inland Container Depot

- A standard inland transit time from **JKIA** to Service Park, Naivasha: 4hrs
- A standard inland transit time from **Mai Mahiu Inland Container Depot** to Service Park, Naivasha: 2hrs

At the time of arrival at the Service Park, containers can be immediately delivered to workshops previously designated by teams, or sent to temporary holding areas within the Service Park.

It is recommended to send a service area and/or workshop layout to place containers according to requirements, thus avoiding extra use of cranes. This information should be sent to info@safarirally.co.ke

Cranes and forklift trucks will be available for use by all participants during the event (for rates please send request to the above contact).

Insurance bonds, covering at least third party (liability) damage, must be issued by a Kenyan insurance company or by a foreign company with proper representation in Kenya.

For insurance bonds we suggest working with your appointed Clearing agent. Should you require assistance, kindly contact info@safarirally.co.ke

Note: you will require a minimum 3rd party insurance & temporary road permit (can normally be taken out by the Clearing & Forwarding Agents)

8.3 Passengers arriving in Kenya

When traveling to Kenya, each person is allowed to bring in \$500 USD worth of imported goods tax-free that will remain in the country. If any person will be carrying goods destined for the rally, they should advise us at info@safarirally.co.ke stating the name of the passenger, the flight number and a description of the goods to make sure that entry is permitted through customs.

Legal Provisions

Persons making temporary visits to Kenya not exceeding three (3) months are allowed to bring in with them the following goods duty free;

Non-consumable goods for personal use during the visit which will be exported back with the passenger at the end of the stay.

Consumable goods and non-alcoholic beverages to be used during their stay in the country.

The following goods will be allowed duty-free only in the quantities specified and only if imported as accompanied baggage FOR passengers who have attained the age of eighteen (18) years:

- Spirits, including liquors not exceeding one litre, or wine not exceeding two litres

15. Media

46

As a round of the FIA World Rally Championship, 2021 WRC SAFARI RALLY KENYA follows the regulations and procedures set out by the FIA for media accreditation. Please make sure to read these guidelines and follow them closely.

It is very important to provide all the requested documentation and to send it the correct office. Errors in procedure will result in delayed requests. More information can be requested by emailing info@safarirally.co.ke

15.1 Contacts before the rally

Media Office

WRC Safari Rally

Moi International Sports Centre, Kasarani Thika Road, Nairobi, Kenya.

Telephone: +254 710 692 777 / 710 694 441

Email: media@safarirally.co.ke

Website: www.safarirally.co.ke

15.2 National publications, National Photographers, National Websites and National Radio Stations.

Requests for accreditation for publications, photographers, websites and radio stations in Kenya must apply on our website www.safarirally.co.ke no later than June 16.

The Chief Media Officer will e-mail the result of the accreditation request to the outlet's headquarters at least two weeks before the rally. If the request is accepted, an agreement will be included, to be signed by the Editor. No accreditation will be finalized without written authority. If the representative of the publication is unable to attend, the Chief Media Officer needs to be notified at least seven days before registration opens.

Television

For all Television accreditations, broadcasters and networks are to contact the **WRC Promoter** before June 03 2021 at: accreditation@wrc.com

International Publications, Photographers, Radio and Internet Media

All accreditation requests from international publications, photographers and websites must be made to the FIA before June 03 using the online accreditation system on www.fia.com in accordance with the stated procedure .

FIA WRC Permanent Pass Holders

No accreditation request is needed, but both the Chief Media Officer and the FIA Media Delegate need to be informed of the pass holder's intent to attend the event. Please do so by e-mail at least five days before Scrutineering. Principles for accreditation, documentation and photographers

A) Principles

- a) A maximum of three representatives (journalists or photographers) per publication will be accredited.
- b) A publication will need to comply with the distribution and quality established by the FIA, and be for sale to the public. Internal and club publications cannot be accredited as media outlets. Accreditation decisions are based on the market of the requesting country.
- c) Promoters of any kind, such as PR or marketing personnel, cannot be accredited as media representatives.
- d) Private teams with established drivers may apply for accreditation for a media representative directly to the FIA Media Delegate.
- e) Central and local offices of large international press agencies (AP, AFP, Reuters, ANSA, UPI, DPA, LUSA, BELGA, JIJI, KYODO, EFE, Press Association, SAPA, Australian AP, APA, etc) will always be accredited directly by the FIA.

B) Required documentation for each request

- a) An accreditation request on the publication's official stationery, signed by the Managing Director or Editorial Director.
 - b) The name(s) and charge of the representatives who will cover the event.
 - c) General information about the publication, such as frequency and distribution.
 - d) Official ID (INE, passport, driver's license) of the people interested in the accreditation.
 - e) Testimonials of material published about the 2019 SAFARI RALLY or the FIA World Rally Championship.
 - f) Any request by a freelance journalist must be accompanied by a list of articles published during the previous 12 months, including the publication name and date
- Late or incomplete requests will not be considered.**

National Press Photographers

C) Accreditation for photographers

The number of passes for National Press Photographers is limited by the FIA to 12.

International Press Photographers

Publications or agencies seeking accreditation for a single WRC event must provide proof of independent coverage in the form of at least 15 photographs per pass taken of each event where they attended as accredited media during the previous year.

In the case of an agency, the pictures must have been sold at regular commercial prices to publications that comply with FIA criteria.

For publications, the published pictures must be demonstrated to be original work by the author accredited by the publication.

Commercial/promotional photographers

Commercial or promotional photographers may request accreditation to accreditation@wrc.com

15.3 Media Reconnaissance

Media who wish to take part in the reconnaissance must complete the Media Reconnaissance form available at www.safarirally.co.ke and return it to the Organisers no later than Friday 04 June.

Passes must be collected from Media Accreditation, Naivasha on Monday 21 June between 08.00 - 12.00.
