I. INTRODUCTION / WELCOME

I.1. INTRODUCTION

Rally Poland is organized by Polish Automobile and Motorcycle Federation (PZM) in cooperation with Polish Automobile Club. Rally Poland is the second oldest rally in the world and the most prestigious motorsport event in Poland. As many as 76 editions of Rally Poland were held since 1921. In 2021 Rally Poland marks 100th anniversary of this event with opening ceremony in Mikolajki and champagne spraying at the finish in Warsaw.

We have prepared 14 special stages. 13 out of 14 speed tests are gravel stages. After covering 12 special stages in Masurian Lakes District and one around city of Przasnysz, ORLEN 77th Rally Poland competitors will tackle famous stage at Karowa street in the heart of Warsaw, which uses only paved roads – tarmac and cobblestone-covered. Final stage of 2021 ERC-opener has been proudly named Rally Poland 100th Anniversary to celebrate a hundred years of event's history.

The Rally HQ will be placed in a popular tourist resort Hotel Gołębiewski in Mikolajki. Service Park will be located on a hard-leveled ground in the vicinity of Hotel Gołębiewski situated in very heart of the Land of Great Lakes, surrounded by wonderful tourist trials.

I.2. HISTORY

The first edition of Polish classic was held in 1921. All competitors tackled the loop from Warsaw through Bialowieza and back to Warsaw. Tadeusz Heyne (Dodge) was the fastest among the six drivers and went down to the history of the event. In the twenties and thirties of the XX century there were twelve editions of the event. Rally Poland was stopped by the II World War and returned in 1947. Since 1960 the history of Rally Poland as a round of the FIA European Rally Championship has begun and such famous names like Rauno Aaltonen, Tony Fall, Timo Makinen, Jean-Claude Andruet, Walter Rohrl, Bernard Darniche, Antonio Zanini or Sobieslaw Zasada can find on the entry and the winners lists. In 1973, right after the launch of the FIA World Rally Championship, the event was once adopted for the series and won by Achim Warmbold co-driven by Jean Todt. Rally Poland was organized on tarmac stages in various parts of the country: in Cracow, Wroclaw and Kłodzko. Since 2005 the headquarters of the event is located in Mikolajki, north-east part of Poland. Spectacular gravel roads winding along Mazurian forests and lakes substituted the tarmac stages.

In **2014**, for the first time in history, Rally Poland was organized not only in Poland. Four special stages were scheduled to take place in neighbouring Lithuania. Sébastien Ogier and Julien Ingrassia racked up their fifth victory of the season when they won 71st Rally Poland on its return to the series for the first time since 2009. The French duo has dived for honours throughout the event with Polo R WRC team-mates Andreas Mikkelsen and Ola Floene. Behind Mikkelsen, Thierry Neuville and Nicolas Gilsoul picked up the final podium position, their second of the season with the Hyundai i20 WRC.

In **2015** Sébastien Ogier and Julien Ingrassia claimed their triumph in 72nd Rally Poland holding off Polo R WRC team-mates Andreas Mikkelsen and Ola Floene after a thrilling battle to the finish of the rally. A stunning performance from the Ford Fiesta RS WRC crew of Ott Tänak and Raigo Molder rewarded them with their first podium of the season. Tänak has driven the rally of his life, winning a number of stages as well as leading on Friday. Going into the final Power Stage he and Latvala were neck and neck but second fastest time, coupled with an off for Latvala, secured the Estonian the second podium position of his WRC career and Molder's first-ever WRC podium. While Latvala managed to reach the

end of the stage, a damaged radiator halted his progress on the road section back to service and ultimately the Finn incurred penalties for lateness, dropping him to fifth. Hayden Paddon therefore climbed to an unexpected fourth in the lead Hyundai i20 WRC and team-mate Thierry Neuville finished sixth behind Latvala. The Belgian was also lucky to reach the finish, having rolled in the first stage. Kris Meeke climbed to seventh, benefitting when Robert Kubica was slowed with a diff and handbrake problem in the opening stage and then a puncture in the Power Stage.

In **2016** Andreas Mikkelsen snatched victory in one of the most dramatic finishes to a round of the FIA World Rally Championship, when he and fellow Norwegian Anders Jaeger won PZM 73rd Rally Poland on Sunday. The Volkswagen Polo R WRC driver confirmed his second ever WRC win and a first for co-driver Jaeger with the fifth quickest time on the final Power Stage. But the damage had been done on the previous special when long-time leader Ott Tänak of the DMACK World Rally Team sustained a puncture, lost over 40 seconds and slipped to second overall. The flat tyre deprived the heartbroken Estonian of a maiden WRC win and Ford and M-Sport of taking their first victory on a round of the championship since the 2012 Wales Rally GB. Hyundai's Hayden Paddon stayed out of trouble over Sunday's four treacherous stages to seal the final place on the podium for the Korean manufacturer. Belgian Thierry Neuville was a mere 0.8 seconds behind in fourth in a second i20 WRC. Jari-Matti Latvala held off a fierce charge from World Champion and team-mate Sébastien Ogier to confirm fourth place, although the treacherous final morning's road conditions surprised even Ogier who missed out on a podium finish for the first time this year.

WRC 2 category developed into a three-horse race over the closing four stages between the Finnish duo of Esapekka Lappi and Teemu Suninen and Welshman Elfyn Evans. The latter managed to slither into second with the quickest time on the muddy opening stage, but Lappi maintained his composure until a flat tyre destroyed his dream of taking a second successive Polish WRC 2 win in SS20 and gifted the victory to Suninen. Evans also took advantage of Lappi's misfortune to move back into second.

In **2017** Thierry Neuville and Nicolas Gilsoul racked up their victory in Poland after a neck and neck fight which ultimately forced Ott Tänak into an unlucky mistake as he pushed to the maximum for the win. The Estonian powered into the lead in a final day opener but then hit a tree in the following stage. While he was able to complete the stage, he was then forced out with too much damage; the second consecutive year he has been so close to claiming the winner's trophy in Poland. As such, Hayden Paddon and Sebastian Marshall moved up to second to give Hyundai a one-two, with Sébastien Ogier and Julien Ingrassia claiming the final podium position for M-Sport. Ogier was hanging back for a push and maximum points in the Power Stage but he ended up in a field in the penultimate stage when the car snapped out at the rear. Four points in the Power Stage were a welcome addition to his tally however. Behind the leading trio, Dani Sordo had a near miss with a tree final day morning and then a puncture this afternoon, but fourth for the Spaniard alongside Hyundai's one-two was a great result for the team. Stéphane Lefebvre had a tricky morning, off the road in the first stage and then he clipped a fence in the second, distracted by a tool kit that worked loose and ended up under the brake pedal. Nevertheless he managed to move into fifth in the Power Stage, benefitting when Teemu Suninen had a near off. While a fine result for the Finn in his first outing in a 2017 World Rally Car, he was disappointed to have made a mistake in the final stage of the rally. Mads Østberg claimed seventh and Elfyn Evans eighth. Ole Christian Veiby won the FIA WRC 2 Championship, the Norwegian claiming his first victory in the category after leading for all but the first stage. He beat Pontus Tidemand by 32.9 seconds and moves into second in the Championship. Nil Solans took his third consecutive victory in the FIA Junior WRC Championship.

In **2018** Rally Poland returned back to European Rally Championship and Nikolay Gryazin has secured his victory on PZM Rally Poland, surviving a late charge from Hyundai development driver Jari Huttunen.

Running on worn tyres, ERC Junior Under 28 star Gryazin lost time throughout a final day afternoon but still managed to beat Huttunen, who threw caution to the win on the rally's final stage, Baranowo. Huttunen brought his battle-scarred Hyundai i20 home with a rear puncture, broken bumper and spoiler in a last-ditch attempt to overhaul Gryazin for overall victory. Despite winning Baranowo by 4.6s, it was not enough for Huttunen, Gryazin hanging on for victory by only 8.3s. Huttunen had incurred a 10 second penalty for checking in one minute late to SS14, which transpired to be pivotal in settling the lead battle. Toksport WRT's Chris Ingram completes the overall podium and secured second in ERC Junior U28, holding off ŠKODA AUTO Deutschland driver Fabian Kreim. Fellow ŠKODA driver Miko Marczyk finished fifth, ensuring four of the top five positions were occupied by young stars in R5 cars.

In **2019** Alexey Lukyanuk after taking his first win on PZM 76th Rally Poland and scoring maximum points, was back in the hunt for his second FIA European Rally Championship title. Taking the lead from Hyundai Motorsport N's ERC3 Junior graduate Jari Huttunen first thing on Saturday morning after stage two, Lukyanuk didn't look back, winning by 59.8 s. After a broken damper and puncture on Saturday only caused a minor delay, another puncture occurred when Lukyanuk hit a rock on the morning pass of Gmina Mragowo. His lead was reduced but he still remained out front and from there he was untouchable, winning the remaining stages to cement his first win of 2019 and his ninth in the ERC. Huttunen's return to the European championship was equally as successful as his appearance on this event last year, repeating his second place finish with a factory-supported Hyundai i20 R5. Championship leader Łukasz Habaj added another podium to his impressive 2019 trophy cabinet, limiting his points loss to Lukyanuk to ensure he would leave his home country still top of the ERC standings.

In **2020** Polish Automobile and Motorcycle Federation (PZM) has decided to postpone 77th Rally Poland to the 2021 season. The decision was the result of a pandemic situation caused by coronavirus in Poland and Europe. The situation related to COVID-19, including restrictions on cross-border traffic and the unpredictable deadline for their total removal did not allow the time to implement the arrangements required to conduct the round of the European and Polish Championships. Bearing in mind the safety of competitors, spectators, media representatives and people involved in the organization of this great international event, it was decided to postpone it to next year.

I.3. ROUTE

The route of Rally Poland 77th edition has 870 kilometres in total, with 14 special stages covering as many as 202 kilometres. 13 out of 14 ORLEN 77th Rally Poland speed tests are flowing and spectacular gravel stages. Three of them use a new route (SS 2/5 Świątajno, SS 4/7 Wieliczki, SS 13 Przasnysz), even though its names were used in previous editions of ORLEN Rally Poland. Mikolajki Arena (SS 1/8), Mikolajki Max (SS 9/11) are the same as in 2019 when last edition of Polish ERC counter was held. The route both of SS Gmina Mragowo (10/12) and SS Olecko (number 3/6) is pretty similar to the version from 2019 season. The latter one includes the mind-blowing Rosochackie jump, famous among rallying fans.

Qualifying stage Talty will kick-off the high-speed gravel competition on Friday (18th of June) afternoon. After settling the running order for top 15 crews, the opening stage will be held at Mikolajki Arena track. 7 stages with total length of 133.1 kms are scheduled for Saturday (19th of June). Sunday morning begins with loop of 4 stages around Mikolajki, followed by road section to Warsaw, with a brand new special stage nearby Przasnysz. Final test, Rally Poland 100th Anniversary stage will be run in the heart of Warsaw. Its route covers one of the most famous places in Polish rallying – the Karowa street. Every December, this cobblestone-paved street host traditional season-ending super special stage of Barborka

Rally – Polish Race of Champions. The finish of SS14 is located in the centre of Warsaw, nearby well-known Bristol Hotel and Presidential Palace.

The grounds of PGE National Stadium is where finish and prize-giving ceremony of ORLEN 77th Rally Poland is planned on Sunday evening.

The city of Mikolajki

Mazurian Pearl – as it is often called - is situated in the heart of lakes and forests, north east of Poland. The famous sailing route of The Great Mazurian Lakes is passing through Mikolajki but the place is well known not only for yachting. For those who are not fond of active recreation the sightseeing from a board of white fleet ship is available. The trips from Mikolajki harbour to Gizycko, Ruciane or Popielno are on the schedule.
