## 1. WELCOME

### 1.1 INTRODUCTION

It will be a season of birthdays, dear guests in Sardinia: the 50<sup>th</sup> of the World Championship, the 150<sup>th</sup> of Pirelli, the 60<sup>th</sup> of the Costa Smeralda. And among these the 19<sup>th</sup> of the Rally Italia Sardegna, the youngest among the celebrated, however for years the reference point of the national motor sport thanks to the passion and vision of the Automobile Club of Italy, ingredients that, combined with the competence and professionalism, have allowed RIS to carve out an international space that shines with its own light in the firmament of the WRC.

In the next month of June, the Rally Italia Sardegna will return and ideally reunite the cities of Alghero and Olbia, base respectively of the Service Park and of the award podium, as well as of the Super Special Stage. It is an experienced and successful scheme that involves a large part of the hinterland of Northern Sardinia and which pursues the institutional aims of the ACI, namely the promotion of motorsports and the host territory, that of the Sardinia Region and the "cities of the Rally", a partner of ACI who deserves credit for having firmly believed in this event by supporting its growth and development, as a primary vector for the promotion and production of economic activities.

Angelo Sticchi Damiani  
President Automobile Club d'Italia.
