PREAMBLE

Historic sporting car is such vehicle which complies with one of categories specified in FIA Sporting Regulations (App. K) or National Sporting Regulations ACCR 2023. In technical matter the vehicle must comply with AIACR, FIA Regulations or Appendix J of appropriate period. These regulations are designed to allow competing with cars of that-time specification and to prevent to increase their engine power or general performance with today's modern technologies.

Historic races are not only another set of events where competitors can get some trophies. It is an independent discipline where sport joins the deepest respect to these vehicles and their history. It is an active celebration of automobile tradition.

These regulations are valid for all vehicles, no matter if they are originals or newly built cars according to the original specification which is in comply with international regulations for each period.

The only variations allowed against the original period specifications are those mentioned in the App. K or the National regulations.

4. ENTRIES

4.1 Closing date for entries

Closing date for entries: 31 July 2023 at 24:00

4.2 Entry procedure

4.2.1 Entry may be done only via electronic entry form at www.czechrally.com. The entry date in the system and date of incoming entry fee payment to the organizer's account are decisive. E-mail contact regarding the entries and other service requests is entry@czechrally.com. Competitors are obliged to attach the copy of the competitor's license, first page of the FIA or ASN HTP passport and photo of the car. Details concerning the co-driver can be specified up to the start of administrative checks. Foreign competitors are obliged to attach the approval of their ASN (Art. 2.3.8. FIA ISC)

4.2.2 The entry will be accepted only after organizer receives the entry fee payment before the closing date of entries. In exceptional cases organizer can accept the entry even before receiving the entry fee. Payment after the closing date can be accepted only after previous agreement with the organizer and means automatic increase of the fee by 25%. In such case the competitor is obliged to proceed the payment before picking up the road book.

4.2.3 The entry will be confirmed by email from the organizer.

4.3 Number of accepted entrants and classes

The crews who do not excuse themselves will be announced to ASN and the entry fee will not be reimbursed.

5. INSURANCE

5.1 Insurance Coverage for the Organizer

5.1.1 The Czech Autoclub (ACCR) has made the insurance contract with s Allianz pojišťovna a.s. through the PLATINUM Consulting s. r.o. company, a framework agreement - organizer's liability insurance covering damage caused to the third party during the competition up to 11 000 000 CZK per incident.

5.1.2 The part of the insurance agreement is the coverage for competitors against the damages caused to third parties up to 11 000 000 CZK per participant. However the damage caused by drivers among themselves is not covered by this contract. The insurance for organizers and participants is made with an integral excess of 5 000 CZK. It means that damage up to 5 000 CZK won't be refunded and damage over 5 000 CZK will be covered without the complicity of insured.

The organizer binds self to arrange this insurance contract for all competitors except those, who will document the liability insurance covering damages caused on closed route.

5.1.3 The insurance for organizers and participants is made with an integral excess of 5 000 CZK. It means that damage up to 5 000 CZK won't be refunded and damage over 5 000 CZK will be covered without the complicity of insured.

5.1.4 All crews at administrative check have to hand in the valid International Green Card for their car. Without this card the crew won't be permitted to start.

5.2 Insurance Coverage for the competitors and crews

All the drivers and co-drivers are obliged to arrange their own accident insurance. The proof should be documented on request at administrative check. The insurance of foreign crews have to cover the costs of possible medical treatment in the Czech Republic.

5.3 Damage Reporting

The crews are obliged to notify the organizer about the damage caused on the track by their car by the end of event the latest. Violation of this duty stands for summoning the competitor and involved crew to a disciplinary committee.

5.4 Insurance Coverage Exclusions

Auxiliary vehicles, cars dedicated to reconnaissance rides and vehicles with special labels issued by the organiser are not covered by the provided rally insurance (with the exception of insured organiser's cars) and those are always going on their own responsibility.

6. ADVERTISING AND IDENTIFICATION

6.1 Compulsory advertising

- starting numbers: ACCR, Zlín, Zlínský kraj, VisitCzechia
- rear fenders: ONI system
- front bonnet: logo of the rally

Placement of numbers and adverts provided by the Organizer is specified in Appendix 3 SR.

6.2 Loss or removal of advertising

If there is ascertained at any point during the rally that an advertising plate (or any other type of advertisement) supplied by the organiser is missing from a car then the crew shall be penalised with a fine of 400 € for each missing advertisement or if the advertisement is modified or not placed according to the Appendix 3 SR.

6.3 Competition numbers and nameplates

Competition numbers and will be supplied by the Organiser. Black numbers will be placed on white rectangle area (width 50 cm, height 44 cm, where area 50x30 cm is reserved for black number with height of 26 cm and remaining area 50x14cm or 2 areas 50x7cm for compulsory organiser's advertising). Letter H or L with half height of the number is an inseparable part of the starting number.

Competition numbers have to be placed on the front door. Driver's and co-driver's national flag and nameplates must be placed on the rear side windows (design according to the FIA RRR) or on the front fender (min. height of the letters and flag 4 cm, letter-colour contrasting to the base color).

Numbers and nameplates have to be on the car during the whole rally. If it is ascertained at any time during the rally that:

- a competition number or one rally plate is missing, this will be penalised by 100 €.
- both competition numbers or both rally plates are missing; this will be reported to the Stewards.

Examples of placing the competition numbers and nameplates are mentioned in Appendix 3 SR.

7. TYRES

At all times during the event in the Czech Republic, the tread depth of the tyres fitted on the car, must not be less than 1.6 mm. There must be used only tyres in conformity with Art. 3.7.4, Chap. K, National Sporting Regulations ACCR. Tyre tread hand cutting is permitted.

8. FUEL, REFUELLING

8.1 Fuel

Unleaded fuel with a maximum lead content of 0,013 g/l is permitted.

8.2 Refuelling

Crews may refuel only in the designated refuelling zones specified in the itinerary and in the road book. Staff in the refuelling zone has to be equipped with protective overalls and shoes according to Art. 61.2.3 National Sporting Regulations ACCR 2023.

9. RECONNAISSANCE

9.1 Reconnaissance registration

Before the beginning of reconnaissance each crew announces a factory make and a registration plate number of its reconnaissance car. The crew receives identification for its car (starting number). Starting number must be affixed in right upper part of the windscreen during reconnaissance at all the times. Any change of the car must be announced to the organiser in time. **Reconnaissance GPS units will be returned to the organizer in the time control before the ceremonial start (Náměstí Míru square).** Times for the reconnaissance at SS1 – SSS Zlín will be given to the competitors at Administrative checks. Crews can't enter the start area of SS1 – SSS Zlín earlier than 20 minutes before their scheduled time. Early arrival to the start reconnaissance at SS1 – SSS Zlín will be penalised by the Clerk of the Course by 200 €.

9.3 Reconnaissance rules

The crews are obliged to follow all reconnaissance rules specified National Sporting Regulations 2023 and these supplementary regulations.

9.3.1 Reconnaissance will be organised in compliance with art. 35 of the FIA Regional regulations and only series production cars conforming to art. 35.1 of FIA Regional regulations must be performed.

9.3.2 Any presence of driver or co-driver on the route of special stages during the period of three months prior to the start of the rally shall be regarded as performed reconnaissance. Drivers, who for whatever reason enter the area used for the Barum Czech Rally Zlín during that period, must promptly inform the Clerk of the Course (Z. Belak, tel.: +420 577 432 004), excluding drivers living in that area, or working there. These restrictions apply to all who wish to attend the rally regardless of whether they already sent the entry form or received the supplementary regulations.

9.3.3 Reconnaissance is restricted in **3 passes in the same special stage**. On the SS 1 - SSS Zlín only 1 passage (3 laps) is allowed. Crews are forbidden to drive in the opposite direction to that of the special stages, except of route areas specified in the reconnaissance road book. In start starts and stop controls crews will make the entries to the reconnaissance time cards by themselves. Reconnaissance drives will be checked via monitoring GPS units.

9.3.4 The progress of the reconnaissance will be monitored by the Czech Police and other rally officials. The maximum speed limitations during reconnaissance follow the Czech traffic regulations. Breaking the rules and mainly exceeding the speed limits will be controlled and fined by the Czech Police according to standard procedures.

9.3.5 **Illegal reconnaissance performed out of the Time Schedule (Art. 9.2 SR) or performing more passages than permitted will be reported to the stewards.**

Competitors, who fail to follow other reconnaissance rules, will be penalised as follows:

1 st infringement	200 €

Place: Zlín, Vavrečkova street (parking Cream)

Date: 18 August 2023 **Time:** 7:30 - 11:00

The time for scrutineering will be given in the entry confirmation. Any delay or early arrival at scrutineering will be penalised by 30 € for each 5 minutes delayed. If the delay exceeds 30 min the crew will be reported to the Stewards. Competitors entering the rally of historic cars are obliged to present the homologation papers and HTP passport.

11.2 Scrutineering procedure

11.2.1 Scrutineer will check the vehicle, if it's in conformity with national road traffic laws including the noise measurement and additional lights and racing tyres usage. The competitor is obliged to show valid registration card.

11.2.2 Scrutineer will check the safety equipment of the crew and the car (fire extinguisher, warning triangle, overalls, helmets). The presence of sticker with safety phone number will be checked. Crews are obliged to hand over filled forms with safety equipment for both driver and co-driver (not mandatory for Rally Legend).

11.2.3 Cars entering the Rally legend demonstration drive will be checked in terms of matching the original version. Replica cars will be compared to its original historical model.

11.3 Car lighting

In liaison road sections between special stages, it is possible to use car lighting only through the original fitted and auxiliary headlamps with EHK ("E") homologation. Headlamps without homologation cannot be used during connection road sections. Complying with this provision will be checked by judges of fact. Any infringement will be reported to the Stewards who may impose sanctions complying art. 152 and 153 of the FIA International Sporting Code. Using LED lights on historic cars (including Rally Legend) is forbidden.

11.4 Obligatory GPS monitoring device

11.4.1 The GPS tracking system will be rented to the competitors for **non-reversible fee 20 €**. Eventual destruction, non-return or damage of the unit has to be paid for by the competitor to the provider in accordance with the approved price list. All further details will be given during presentation to each crew and in Appendix 5 SR.

11.4.2 All cars entered to the Star Rally Historic have to be equipped with obligatory monitoring GPS device already before the scrutineering.

11.4.3 Competitors will receive the GPS components during Distribution of the Road Book. They are obliged to install the components to the vehicle according to the installation manual already before the scrutineering.

11.4.4 Competitors are obliged to prepare a 12V output for connecting the GPS unit prior to the scrutineering.

11.4.5 Competition cars not equipped with the monitoring device GPS will not be allowed to start.

11.4.6 Any attempt to tamper with, to manipulate or to interfere with the tracking device fitted to the competition car or any device that fails to record a trace due to external interference will be reported to the Stewards who may impose a penalty up to exclusion.

11.4.7 GPS units and brackets will be collected from the competitors by the provider in the finish time control (TC 6A – Rally Legends and 11C – Historic rally). In case of early retirement the GPS will be given to the provider in the Service Park.

11.4.7 Operating the GPS unit during the special stage is described in Appendix 5 SR.

12. OTHER PROCEDURES

12.1 Start procedure and order

12.1.1 Start of the rally

On the official notice board (in given times according to Art. 3 SR) there will be published starting order for:

Ceremonial Start		Reversed starting order in 1 minute interval.
Start for Section 1 of Leg 1	TC 1	Normal starting order in 1 minute interval.
Start for Section 2 of Leg 1	TC 1B	Normal starting order in 1 minute interval.
Start for Leg 2	TC 6D	Normal starting order in 1 minute interval.

The starting order will be set according to expected performance of particular crews. *Crews entered in the Rally Legend Demonstration Drive will start in one common group after the historic rally.*

Time cards will be collected and changed during the rally in TC: 1A, 4A, 6C, 7A, 10A, 11A, 11B and 11C.

12.1.2 Ceremonial start

All starting crews must attend the Ceremonial Start at their due time wearing overalls and with their competition car. Crews can enter the start area at maximum 20 minutes before their start time. If any crew is unable to participate in the Ceremonial Start because of technical problems with their car, they will be permitted to start into the Leg 1 at TC 1 in its allocated start time on condition of notification to the stewards and passing the obligatory re-scrutineering checks. The concerned crew must attend the ceremonial start at their due time anyway. Wearing overalls is not necessary.

12.1.3 Start of special stages

The start to other special stages will be given by an electronic digital countdown system, counting down by seconds and clearly visible to the crew from the start position and coupled to a start line detecting early start. This start line detection device is placed 50 cm after the start line in the height of 50 (+/- 5) cm. The car must be placed in such way that its front part is on the level of the start line.

Timekeeper gives the time card to the crew as late as in the minute of starting procedure.

Light signals combined with digital countdown system will be used:

- 40 sec. - red light switches on
- 30 sec. - the starter shows on the starting countdown system,
- 10 sec. - red light blinks on,
- 5 sec. - yellow light switches on,
- 0 sec. - START, green light switches on,
- 20 sec. - green light switches off, red light switches on, the Art. 31.4.3 of the FIA Regional regulations will be applied.

12.1.4 Restart after retirement

A car that does not finish 1st Leg of the rally can start again for the next Leg. For a new start the conditions according to the Art. 54 of RRSR must be followed. Competitors must notify their intention to continue in the rally to the organiser at least 1 hour before publication of start list for Leg 2. The car must report to the overnight Parc Ferme prior to the next Leg no later than 1 hour before scheduled start of Leg 2. Scrutineering will be done according to the schedule specified in point 3 of these supplementary regulations.

A crew competing in Rally Legend Demonstration Drive which fails to finish any section of the rally will be permitted to restart the next section under condition of informing the Organizer.

12.2 Finish procedure

The competition part of the rally ends in the Time Control before the Finish ramp (TC 11C). Then the prize giving will be performed (Art. 14.2 SR). After leaving the finish ramp the crews are obliged to go directly to the Parc Fermé.

12.3 Permitted early check-in

Early arrival without penalty is permitted only at TC 1A (parc fermé after SSS 1), TC 6C (parc fermé after Leg 1), TC 11B (Náměstí Míru square) and TC 11C (parc fermé Zlín).

12.4 Semi-circuit special stages

12.4.1 SS 1 SSS Zlín (18 August 2023 at 19:00)

The crews will start from the highest to the lowest starting numbers according to the Starting list posted on the official notice board. Parc Fermé before the start at TC 1 will not be organised.

Start of the Spectators' Super Special Stage will be flying, it means the crew starts to the special stage on green signal light (or other wave given by the start marshal) and the exact flying starting time will be recorded by the start detection device placed 1m behind the start line. The photocell for measuring the finish time will be placed in the circuit part, exact location will be specified in the road book.

If the start will be done in expected starting interval (approx. 1 minute), timekeeper will show a board with number 5 approx. 5 seconds before green light appears on a semaphore. In case of longer delay than expected, timekeeper will show the board with a sign STOP and then show again the board with number 5 approx. 5 seconds before green light appears on the semaphore.

Crews that will not finish SSS or retire during Section 1, crews which will do less than required number of laps or whose SSS time is worse than 12 minutes will receive an allocated SSS time of 12 minutes. The retired crews can restart into the Section 2 under the condition of Art. 46 FIA Regional regulations and that the car is placed to the Parc Fermé 1 hour before and re-scrutineered 1 hour before the scheduled Start of Leg 1, Section 2.

12.4.2 SS 2/5 – Slušovice and SS 3/6 - Kateřinice (19 August 2023)

Start of the stage will be flying, it means the crew starts to the special stage on green signal light (or other wave given by the start marshal) and the exact flying starting time will be recorded by the start detection device placed behind the start line. If the start will be done in expected starting interval (approx. 1 minute), timekeeper will show a board with number 5 approx. 5 seconds before green light appears on a semaphore. In case of longer delay than expected, timekeeper will show the board with a sign STOP and then show again the board with number 5 approx. 5 seconds before green light appears on the semaphore. Crews, which do less number of laps, will be excluded. Crews, which will do higher number of laps, will get the real counted time. Laps will be counted by the judges of fact. Crews that will not finish the SS will be considered as retired and can restart to next Leg following art. 12.1.4 of these SR.

12.5 Special procedures

12.5.1 Barriers

Due to safety reasons, barriers will be positioned on the rally route. The barriers will be made from straw bales; therefore the penalty 30 sec. will be given by the CoC only in case of complete missing the barrier.

12.5.2 Behaviour on the rally route – Rally Legend

Due to safety reasons it's forbidden to perform wherever on the rally route the "donut" spins.

Breaching this rule will lead to exclusion of the crew by the CoC. *If the Legend crew shows at the start of the SS more than 10 minutes later from the ideal start time of the last car, start will not be allowed. For additional return to the starting field the crew can use procedure according to art. 12.1.4 of these SR*

12.5.3 Time measurement

- Times of crews entered in rally of historic cars will be measured in each special stage with accuracy of 1/10 sec. In case of equal times the year of car's produce written in the HTP will be decisive in favour of the older one.
- *Times of crews entered in Rally Legend Demonstration Drive will not be measured. The aim of this demonstration drive is to show the historic car and not to race. Crew, which will not follow the Supplementary regulations and rules of the demonstration drive, can be stopped at any checkpoint of the rally and excluded by the CoC and will be rejected to start in two following round of Rally Legend drives.*

12.6 Official time used during the rally

Official time throughout the entire rally can be reached on the phone 14112.

12.7 Service area

Service area can be entered only with vehicles wearing "SERVICE" label and "Recce car". Each competitor will receive at crew's presentation and materials' collection two stickers "SERVICE", two "DRIVER" labels and four "MECHANIC" labels (three pcs for Rally Legend). Additional "SERVICE" can be purchased for 40 EUR. All these vehicles must be in its fullness parked only in the competitor's allocated area. Each crew accepted to the rally will be given an assigned space in the Service area:

- basic space 80 m² (8x10 m) for each competition car entered in Historic Rally
- basic space 64 m² (8x8 m) for each competition car entered in Rally Legend Demonstration Drive

Basic space can be extended on demand for 10 EUR/1 m² (further info in Art. 3.2 SR).

Competitors' requests to common service place for their cars must be sent by e-mail to entry@czechrally.com.

During the rally it is allowed to use remote optional service zones according to Art. 60.6 National Rally Regulations.

- These zones are specified in the itinerary and road book.
- These zones are included in the road sections (no special time controls)
- It is obligatory to use protection sheet under the car.
- Only tyres mounted on the rally car or carried in the rally car can be used.
- Refuelling is allowed only in next remote refuel zone marked in itinerary.

12.8 Shortening the track

The following is considered as shortening the track:

- running round anti-cut element from the other side than along the SS road
- intentionally shortening the track with all four wheels of the paved road
- for shortening the track, after suggestion from Clerk of the Course the crew can be penalised up to disqualification by the Stewards.

12.9 Entrance to the Regrouping area and Parc Fermé

12.9.1 Safety GPS tracking workers are allowed to enter the regrouping area and Parc Fermé in order to maintain or repair the GPS tracking systems installed in the rally cars. They have to be accompanied by scrutineer and the representative of the team (driver, co-driver and competitor).

12.9.2 TV Crews, which will be published by the CoC information, are allowed to enter the regrouping area and Parc Fermé in order to maintain the camera systems installed in the rally cars or to exchange the data recording media. They have to be accompanied by scrutineer and the representative of the team (driver, co-driver and competitor).

13. IDENTIFICATION OF OFFICIALS

Chief of SS	- red tabard
Chief of TC	- red tabard
Chief of RCP/ SP	- yellow tabard with radio-sign (flash)

1. General provisions

All competition cars have to be obligatorily equipped with the ONI[®] tracking system. ONI[®] tracking system is owned by the Autoclub of the Czech Republic and will be rented to the competitors (for non-refundable fee 400 CZK or 20 EUR payable by competitor). Eventual destruction, non-return or damage of the unit has to be paid for by the competitor to the provider in accordance with the applicable price list. In case of non-returning GPS tracking system immediately after the event, the fine 650 euro will be imposed to the competitor.

2. Distribution of the ONI[®] tracking system

ONI[®] tracking system contains following parts:

- **tracking unit with display**
- **tracking unit holder**
- **power supply cable**
- **combined antenna roof**
- **control panel containing:**
 - OK button to cancel the alarm / confirm red flag
 - SOS switch for calling emergency

ONI[®] tracking system will be installed to every rally car before each event. Detailed information will be published no later than during road books issuing.

After arrival to the scrutineering, device administrator will install the tracking unit, antenna and control panel. Antenna and power supply cables can be purchased by the crew for personal ownership.

At the end of the rally or after retirement, the tracking unit or complete tracking system must be returned to the device administrator. Usually the devices are collected in the last service area or before finish of the rally.

3. Installation of the unit in the car

3.1 To fit the tracking unit with display, antenna and control panel, it is necessary for the competitor to follow exactly the Installation guide, to keep the unit in good condition and to protect it against damage and fouling (especially the connectors) during the time.

3.2 Foreign and one time rally participants will receive a rental version of the set equipped with magnetic roof antenna. Control panel with OK button and SOS switch is in one box for which the competitor has to choose a suitable place for fitting within the reach of both crew members. It is obliged to prepare everything for its installation prior to the scrutineering.

4. The unit operation during rally

To operate the unit, the crews have to meet all instructions as mentioned in the User's guide.

Operation during events on SS:

• **Accident (crash detection)**

- The unit evaluates the situation and sends info about accident to rally control. Crew cannot affect this message.
- The display shows message: **Are you OK?** Confirm.
- 10 s after this question, the siren wails for next 15 s
- If the crew pushes **OK** button, this information is sent to rally control and information about accident is not sent to the unit of following cars in the stage.

• **Stop in SS**

- When the car stops in SS, it is counted as an obstacle. Unit signals to the crew by sound siren and text, that they have stopped. This signal takes 15 s.
- If the crew doesn't push OK, warning message is sent to the rally control and also to other cars, which are currently in the stage arriving to the obstacle.
- With pushing the OK button the crew confirms that they are okay, on the display is shown message OK and information about obstacle is not send to the unit of next cars in the stage.

• **Request for help**

- Changing the switch is confirmed by SOS message on display, also the siren sounds.
- The siren sound can be cancelled by pushing OK button.

• Red flag

- When the rally control hangs out the red flag, the display shows big message RED FLAG (with red background) and the siren sounds.
- Crew has obligation to confirm receiving the red flag by pushing the OK button and to reduce the speed according to the sporting regulations.
- The siren sound can be cancelled by pushing OK button.
- The red flag on display can be cancelled only by rally control.

5. Speed checking during reconnaissance

During reconnaissance the crew is obliged to follow traffic rules of the Czech Republic. Not respecting this rules, especially exceeding the speed limits, will be monitored via ONI[®] tracking system. This checking doesn't exclude other checks, i.e. police controls according to their standard procedures.

ONI[®] tracking system for reconnaissance

Tracking system is checking the speed in every moment during the reconnaissance.

Every crew will pick up the ONI[®] recce tracking unit together with roadbook. Installation of the unit and its using during reconnaissance is obligatory for all crews during the whole schedule of reconnaissance according to the art. 3 Reconnaissance schedule. For speed checking during the reconnaissance, NCL 21 units are used.

NCL21 unit is started during roadbook issuing before starting of reconnaissance. For whole reconnaissance the unit is working on its own battery. It is not necessary to plug the unit to any power supply.

It is possible to place the unit on metal surfaces - magnets are implemented in the unit.

Not using the unit in a rally car during reconnaissance will be fined.

Every attempt to falsify, manipulate or infringe the unit for reconnaissance or any device, which will make impossible to collect data because of external interference will be reported to the stewards who can penalize the crew up to refusing the start.

Decision regarding seriousness of the offence and its repeating is in Clerk of the Course's authority. For exceeding the speed limit, sanctions can be given according to supplementary regulations or championship regulations.
