## 1. WELCOME

### 1.1 INTRODUCTION

Dear WRC Community, dear competitors, teams, media, dear international and national sporting authorities, dear local authorities. This traditional message of mine that accompanies the publication of Rally Guide 1 every year, this year I wanted to turn it into a letter that becomes a hug to all of you.

Welcome, and for many of you, welcome back to Rally Italia Sardegna 2025, an event that celebrates passion for motorsport and the beauty of an island of incomparable beauty! Also this year, we are preparing to live a dream experience, immersed in the breathtaking landscapes of Sardinia, where nature and passion for competition meet in a perfect union.

Rally Italia Sardegna, which has been a solid reality on the international motorsport scene for years, is a highly prestigious event that attracts the best drivers and the strongest teams on the international scene. We are proud to host this competition, which not only highlights the participants' skills, but also promotes the territory and its culture.

It is an honour for me to once again represent Automobile Club d'Italia, an organisation thanks to which Italian motoring is at the highest level worldwide thanks to the achievement of extraordinary goals. Having wanted, designed, created, carried out and made this event grow on Sardinian soil is certainly one of them, perhaps the one that makes us most proud.

Finally, I would like to thank every single participant; as always happens to the success of any show, the quality of the performers contributes in a fundamental way. Rallying is an art that involves from the first to the last of the participants. Rallying is a gesture of beauty, and what the best drivers in the world do along the roads that make up the route of each race is to make the impossible real by creating works that are difficult only to imagine. Thanks, therefore, to everyone and in particular to the Sardinian people who have made this event their own, welcoming it with great passion and using it over time as a promotional message of their land in the world.

*With affection, Angelo Sticchi Damiani  
President of the Automobile Club of Italy*
