3.4.2. Without this advertising, **the above fees are doubled.**

3.4.3. **Club or Ecurie Team: CYP15,00 (approx. €26,00) per car.**

**Make Team Entries: CYP25,00 (approx. €44,00) per car.**

The entry application will only be accepted if accompanied by the total entry fees or by a receipt issued by the competitor's National Sporting Authority.

### 3.5. Payment

The entry fee must be paid by Bank transfer to the organiser's bank account:

Bank of Cyprus Ltd , Evrou Street Branch, Nicosia

Account name: CAA Sports

Account no.: 0108-01-004984

IBAN: CY17 0020 0108 0000 0001 0049 8400

SWIFT BIC: BCYPCY2N

### 3.6. Refunds

Entry fees will be refunded in full:

3.6.1. To candidates whose entry has not been accepted.

3.6.2. In the case of the rally not taking place.

## 4. INSURANCE:

### Description of insurance cover

The entry fees include the insurance premium, which guarantees the competitor insurance cover for civil liability **unlimited for Third Party personal injuries and up to CYP50.000,00 for Third Party property damage, subject to excess of CYP100,00 for each and every claim.**

**Damages on Rally and/or Service Cars and injuries to their occupants as well as the liability of a crew member towards the other crew member of the car and/or towards the crews of other rally cars, are not covered by the insurance provided by the organizers.**

The insurance cover will come into effect from the start and will cease at the end of the rally or at the moment of retirement or exclusion.

## 5. ADVERTISING:

5.1. Organisers' obligatory advertising (see Art.10 of the General Prescriptions) is "VALVOLINE" and "CHEVROLET".

5.2. The optional advertising will be published in a bulletin by March 20<sup>th</sup> 2007.

Competitors who accept the organisers' optional advertising must reserve an area as shown in Appendix III.

**5.3. Tobacco advertising is prohibited by the Laws of the Republic of Cyprus.**

## 6. IDENTIFICATION NUMBERS:

### 6.1. Plates:

The Organising Committee will supply each crew with one set of rally plates which must be affixed as per Article 9 of the General Prescriptions.

### 6.2. Competition Numbers:

It is ascertained that if, at any time during the Rally,

- The one competition number or rally plate is missing, a penalty of CYP20,00 will be imposed.

- The two competition numbers or rally plates are missing at the same time, exclusion will be pronounced.

## 7. TYRES:

7.1. All the cars must use moulded tyres.

7.2. For all the competitors, tyre changes may only be carried out in the Service Parks or the Service areas where this is permitted.

7.3. A car may transport a maximum of **two spare wheels**.

7.4. At all times during the event the tread depth of the tyres fitted on the car must not be less than 1.6 mm over at least three quarters of the tread pattern. **Starting a special stage on the rims only is prohibited.**

7.5. The spare wheels may be re-used if and only if, the minimum depth is 1.6 mm, but they must always remain on board the car. Any complete wheel fitted on the car or installed inside the car during servicing must reach the next service park or the next service area where a tyre change is authorized. No complete wheel may be loaded on or taken off the car elsewhere than in the service parks or the service areas where a tyre change is authorised.

### 7.6. Tyre marking procedure

- The marking of the tyres is obligatory for all the competitors entered. The following points must be noted.
- The tyres will be marked throughout the rally in accordance with the instructions given by the FIA.
- At the start of each leg the four tyres mounted on the car and the two possible spare tyres will be marked using a special ink, the same color for all the competitors.
- At the start from each service park or service zone, the same marking operation will be carried out using a different color.
- Tyres which have not been used on the previous special stage or which, even if they have already been used are nevertheless in conformity with the regulations, may be marked again.
- Checking of tyre marks will take place at the arrival TC at each Service Park according to art.2.5 of the 2007 FIA Middle East Championship Regulations.

### Control

At any time during the event controls may be carried out to check the conformity of the tyres. Any tyre that is not in conformity will be marked with a special stamp and must not be used. At the time control before the start of a special stage, if a scrutineer notes that a tyre mounted on the vehicle is not in conformity as regards the minimum depth, the competitor must replace this tyre with one carried on board his vehicle, on condition that the replacement tyre is in conformity, before taking the start.

The post chief will then issue the competitor with a new starting time for the start of the special stage concerned.

Any breach of the tyre regulations will be submitted to the Stewards and may result in a penalty, which may go as far as the exclusion of the crew by the Stewards.

## 8. FUEL:

8.1. Super unleaded 98 octane fuel is available in all towns. **The competitors are responsible for checking the conformity of the event fuel each time they receive delivery, and before it is used in competition.**

8.2. All Competitors should only refuel at the refueling area at the exit of the Service Park and at the areas for Refuelling only which may be set up along the route. In these areas, any kind of servicing is prohibited. Team personnel shall be allowed to refuel the car, but shall not be allowed to do any other work on the car.

## 9. RECONNAISSANCE:

### 9.1. Procedure for registration

9.1.1. The reconnaissance timetable and the reconnaissance time cards will be available on Monday 16<sup>th</sup> April 2007 at the rally HQ.

9.1.2. When registering for reconnaissance one of the crew members must be present to sign an indemnity and register the details of the reconnaissance cars, mobile telephone number and contact details of the place of residence.

9.1.3. Reconnaissance car identification numbers must be attached to the front windscreen (top centre) and on the right and left rear side windows. They must be kept visible for the duration of the reconnaissance period.

9.1.4. Crews are authorized to drive a maximum of two (2) times through each special stage during the reconnaissance period in accordance with the timetable to be issued in Rally Guide and/or an information bulletin. When a special stage is used more than once in the same configuration only a total of 2 passes will be permitted.

## 9.2. Schedule

Reconnaissance will take place according to the following schedule:

Tuesday 17<sup>th</sup> April 2007 - Leg 1

Wednesday 18<sup>th</sup> April 2007 –Leg 2

(reconnaissance schedule will be issued in Rally Guide and/or an information bulletin)

## 9.3. Specific restrictions

- a. It is emphasized that reconnaissance is not practice. The competitors must drive in a manner that does not endanger or cause inconvenience to traffic or people living near the stages. All road traffic laws of Cyprus must be strictly complied with and the safety of other road users must be respected.
- b. **Crews will not be allowed to drive in the opposite direction of the rally route on special stages.**
- c. Crews are required to present their reconnaissance time card at the start and finish of all special stages. Crews will only be permitted to enter and leave special stages through the start and finish controls.
- d. The presence of any entrant and/or crew member entered in the rally on any part of a special stage, in any way whatsoever, is considered as reconnaissance. Reconnaissance outside the schedule set by the organizers is considered as a very serious offence and will be reported to the Stewards who may apply penalties at their discretion.
- e. Reconnaissance will start on Tuesday 17<sup>th</sup> April 2007 and will finish on Wednesday 18<sup>th</sup> April 2007. This regulation applies to all crews. If before Tuesday 17<sup>th</sup> April 2007 or after Wednesday 18<sup>th</sup> April 2007 any crew and/or competitor is found on any part of any special stage to be used in the rally, he or she will be reported to the Stewards. Reconnaissance schedule will be issued in Rally Guide and/or an information bulletin. If this involves a driver whose parent ASN is that of the country organizing the event, he or she will be subject to national suspension. In the case of a foreign licensed competitor/crew, he or she will be reported to the respective ASN which will take appropriate action.
- f. All reconnaissance for all crews may only be carried out using series production cars with two or four wheel drive. Reconnaissance cars must be covered by insurance as required by the laws of the country concerned, no responsibility being imputable to the organizers.
- g. The maximum speed limit of 60 kph (or as specified) is imposed on all special stages during reconnaissance unless the organizers introduce a lower speed limit.
- h. Any infringement of the reconnaissance regulations will be reported to the Stewards who may impose penalties under article 152 of the FIA International Sporting Code. Furthermore, the Stewards may report the competitors concerned to the FIA for possible further sanctions.

## 9.4. Registration for reconnaissance

Registration for reconnaissance will take place as stated in the Rally Guide and/or an information bulletin. At that time reconnaissance number plates, time cards and time schedules will be issued.

## 10. ADMINISTRATIVE CHECK:

### 10.1. Location

The Preliminary documentation will take place on Monday April 16<sup>th</sup> 2007 – 09:00-13:00 hours..

The administrative check will take on Friday April 20<sup>th</sup> 2007 -14:00-17:00 hours at the Peugeot Garage in Nicosia.

### 10.2. Documents to be presented:

The following will be checked at the administrative check:

- Drivers and co-drivers competition license.
- Drivers and co-drivers road license.
- Entrants license.
- Authorization from the drivers' ASN to take part in the rally
- Information given on the entry form.
- Insurance cover (third party) for the rally car
- Documents and registration papers for the rally car.

## 11. SCRUTINEERING, SEALING AND MARKING:

The Administrative Check must be completed prior to Scrutineering.

### 11.1. Location

Scrutineering, sealing and marking will take place on Friday 20<sup>th</sup> April 2007 at the Peugeot Garage in Nicosia. Both crew members have to attend the administrative checks. However FIA A and B seeded drivers may appoint a representative and/or a team manager (duly assigned in writing) for their entries.

- 11.2. Times/Schedule  
From 14:00 to 17:00 hours, according to a time schedule given at the preliminary documentation.
- 11.3. Scrutineering provisions:
- Cars must be presented to the scrutineers with the competition numbers, rally plates and optional advertising affixed on the car before entering the scrutineering venue.
  - The use of silvered or tinted film, complying with Appendix J, Article 253.11, is authorized on the side as well as the rear windows.
  - The presentation of the competing vehicle homologation dossier, complete, and the correlated appendices for vehicles in Group N and A in scrutineering is Compulsory. Failing to comply with this rule is subject to a cash penalty and Article 15.1.3. of the 2005 General Prescriptions will be applied.
  - The control of drivers' helmets and equipment will take place at the scrutineering. The helmets will have to comply with the FIA standards listed in ISC, Appendix L, Chapter III, Article 1. Each helmet used by the crew will have to be identified and marked during the scrutineering before start. This marking may be checked on the start of each special stage.

Competitors reporting late to scrutineering will be penalized CP30 for every 30-minute period delay. Thereafter Article 15.1.2 of the General Prescriptions will apply.

## **XII START OF THE RALLY**

- 12.1. **Official Time**  
Throughout the rally, the official time will be **based on BBC World Service time signals amended to Cyprus time.**
- 12.2. **Ceremonial Start**  
There will be a ceremonial start on Friday 20<sup>th</sup> April 2007 at 20:30 hours. All cars will be started at one-minute intervals. Any entrants/crews who do not present themselves at the ceremonial start will be reported to the Stewards who may apply a penalty.
- 12.3. **All cars authorised to take the start must be driven (by any person authorised by the competitor) into the Starting Zone at any time between 07:00 hrs to 07:30 hrs on Saturday, 21<sup>st</sup> April 2007. A penalty of CYP20,00 per 15-minute delay shall be imposed. The Starting Zone shall be regarded as a "Parc Ferme".** Crews may enter the start Parc Ferme, 10 minutes before the start time.
- 12.4. All cars will be started at **2 (two) minute** intervals according to the start list.
- 12.5. The starting order of the legs will be determined according to the provisional classification established at the end of the previous leg.
- 12.6.1. At the end of each Leg, the Stewards may reclassify at their discretion the FIA seeded drivers still in the rally.

## **XIII RUNNING OF THE RALLY**

- 13.1. The Time Cards will be issued at the Start of each Section.
- 13.2. Early check-in at the end of a leg:  
Crews are authorized to check in early **without incurring a penalty** at TC4B (end of Leg 1).
- 13.3. Restart in Leg 2 after retirement in Leg 1
- 13.3.1. Any crew that has involuntarily retires in Leg 1 may re-start the rally from the start of Leg 2. However, the crew will be penalized at the rate of 10 minutes for every stage not completed in Leg 1, added to the fastest time achieved for that stage irrespective of same group/class.
- 13.3.2. Should retirement occur after the last special stage of Leg 1, the crew concerned will nonetheless be deemed to have missed that last special stage and the penalties stated in article 13.3.1 above will apply.
- 13.3.3. The Stewards shall have the right to reposition any car that retired on Leg 1, at the start of Leg 2, at their discretion on the grounds of safety considering their estimated speeds and stage times in order to maintain, as far as possible, an adequate gap between them and other cars. Total penalty times for Leg 1 alone, including cars that have been penalized by Super Rally rules, will not form the basis for restart positions for Leg 2.
- 13.3.4. Any crew that deliberately retires on Leg 1 with the perceived intention of gaining an advantage in order to better its position in Leg 2 will be judged by the Stewards who may not permit the re-start. The Stewards may apply sanctions against the entrant and/or crew concerned in accordance with article 141 of the Code.

- 13.3.5. All crews that retired on Leg 1 will be assumed to restart Leg 2 under the Super rally regulations unless they formally indicate in writing that they wish to withdraw from the event.
- 13.3.6. Any car wishing to re-start must be serviced only in the rally Service Park. After such a car has retired, the vehicle must remain where it has retired until permission has been received from the Clerk of the Course to remove it directly to the Service Park.
- 13.3.7. Servicing of retired cars must respect the conditions of Article 12 of the General Prescriptions. Any car that has retired may, however, be towed or transported from the point of retirement to the Service Park, but only after permission to do so has been given by the Clerk of the Course.
- 13.3.8. Any car that will restart in Leg 2 under Super Rally regulations must be re-scrutineered before the start.
- 13.3.9. The car may be serviced for up to 2 consecutive hours in addition to the 45 minutes service at the end of Leg 1. However, all cars must be returned to the parc ferme before the start of Leg 2 at least 4 hours before the start of the leg.
- 13.3.10 A special time card will be issued at the exit from the parc ferme to monitor the removal of cars, the time taken for repairs and subsequent return.

#### **13.4. Accident reporting**

If a driver taking part in the rally is involved in an accident in which a member of the public sustains physical injury, the driver concerned must report this to the next radio point as specified in the road book and signposted on the route according to Article 14.3.3.3 of Appendix H of the International Sporting Code. If he fails to observe this rule the Stewards of the meeting may impose on the crew responsible a penalty which may go as far as exclusion.

### **XIV SERVICE PARK**

## APPENDIX II - COMPETITORS' RELATIONS OFFICERS

The Competitors' Relations Officer is:

Costas Theocharides

### PRINCIPAL MISSIONS

Inform the competitors and play a mediating role at all times.

This post must be entrusted to an official in possession of a licence issued by their ASN as it implies a certain knowledge of the general regulations. They may attend the meetings of the Stewards, in order to keep abreast of all the decisions taken.

The competitors' relations' officer must be able to be easily identified by the competitors. To this end it is advisable that:

1. They wear a very conspicuous badge or tabbard.
2. They are introduced to the competitors at the drivers' briefing.
3. Their photograph be included in the Supplementary Regulations or in a bulletin if possible.

### PRESENCE DURING THE RALLY

When the secretariat is opened, they should have the secretary of the meeting draft a schedule of their duties which shall be posted on the notice board of the rally and which shall include:

- Presence at scrutineering
- At the secretariat of the meeting
- At the start of the rally
- At the regrouping halts
- Parc Ferme at the end of sections
- Near the Parc Ferme at the arrival (the latter being dependent on the rally timetable).

#### **Function:**

- Give accurate answers to all questions asked.
- Provide all information or additional clarifications in connection with the Supplementary regulations and the running of the rally.

#### **Mediation:**

Avoid forwarding questions to the stewards that could be solved satisfactorily by a clear explanation with the exception of protests (for example, clarify disputes over times, with the assistance of the time-keepers).

The Competitor's Relations Officer shall refrain from saying anything or taking any action, which might give rise to protests.
