

2008 QUIT FOREST RALLY

SUPPLEMENTARY REGULATIONS

**Australian Rally Championship
Western Australian Rally Championship**

WELCOME

The West Australian Car Club is proud to once again to be part of the Australian and Western Australian Rally Championships and the WA Clubman Series. With the honour of running the first rally for the season we will be doing everything we can to ensure that our competitors, officials and all others associated with the event will go home satisfied after enjoying a great weekend of rallying.

Over the years we have a winning formula with the rally based in Busselton and Nannup. Each year we try and fine tune it, to improve it where we can. Rally HQ will again be at the Bayview Geographe Resort, the rally will start at the popular Busselton Toyota Super Stage on the Busselton foreshore and the rest of the action will be in the magic Nannup Plantations. The majority of the roads around Nannup have been graded and those of us who have driven the course are confident all the crews are going to love driving on the roads. All we need to do now is keep our fingers crossed for good weather on the weekend.

We are very fortunate to have a very keen group of officials who do all they can to make the rally a success. Many of them take time off work to be at the rally to help with all the duties in lead up to the rally, others spend many weekends clearing trees and scrub of the drive lines and others patch holes in the road to smooth them out. As competitors, we would appreciate if you thank them on your way around the rally. A small thank you that we do is to have a "Goodies" vehicle drive around and thank all the officials, make sure they have supplies of water, sunscreen and insect repellents and provide as many of them as we can with a small gift of goods. If you have a business or a sponsor that may have a small item of thanks or voucher that we can pass onto the officials they would certainly appreciate it.

We must also thank all our sponsors of the rally. Without them the rally would not be what it is. We have now have long term support from the majority of our sponsors. Our major sponsor, **Healthway (QUIT)**, are terrific supporters of rallying and we encourage everyone to support their message of stopping smoking and the benefits of a healthier lifestyle. When possible please support and thank our other sponsors **Eventscorp, Busselton Toyota, Trade Hire, Easifleet, Wise Wines, ProBusselton** and **Shannons Insurance**.

Our media supporters **The West Australian** newspaper and the local papers **Busselton-Dunsborough TIMES** and the **Bunbury Herald** as well the south west radio stations of **HotFM** and **Radio West** will ensure the rally is very well promoted throughout Western Australia. We ask all competitors to support us and the **Busselton-Dunsborough TIMES** in putting together an Entry List in the paper in a similar format to a "Melbourne Cup Guide".

The rally could not run without the support of the local councils in Busselton & Nannup, the Department of Environment and Conservation, Forest Products Commission, the Police and all the local Community Groups and Businesses who assist us in making the rally run.

We look forward to welcoming our competitors to the 24th running of the Quit Forest Rally and hope you all enjoy competing in the event just as much as we have in organising it.

Regards,

- (ii) Each car will be timed on this stage by electronic means commencing from the start signal being given. A car may start whilst the previous car is still completing their run over the stage.
- (iii) Each crew will be given an approximate 30 second warning prior to their start time and will then be given a manual countdown of 15, 10, 5, 4, 3, 2, 1, Go (flagged wave). - (iv) If a yellow flag is displayed at any location on the Super Special Stage, a driver must immediately make a significant reduction in speed. The Clerk of Course may allow a vehicle affected by the display of the yellow flag to contest the Special Stage again. If circumstances do not permit this, the Clerk of Course will propose to the Stewards an allocated time for the crew on the Special Stage. No crew which is totally or partially responsible for the displaying of the yellow flag may benefit from this measure.
- (v) Any crew failing to complete the Super Special Stage in the correct manner described in the Supplementary Regulations and the Road Book will be allocated a time for the stage, equal to the fastest time plus 1 minute (called the "Maximum Time"). Any crew recording an actual time in excess of this time on the Stage will be allocated the Maximum Time.
- (vi) A vehicle which fails to complete the Super Special Stage may be removed by the Organisers and placed on the road section immediately after the end of the stage. The crew only will then be allowed to work on their car but must still arrive at the following Time Control within their late time limit. This also applies for SS11 and SS12.
- (vii) Crews must use a similar type of tyre (i.e. loose surface rally tyres) as they will use on Heat 1, Special Stage 3.
- (viii) All Yellow Flag marshals at the Super Special Stage will be deemed to be Judges Of Fact for the purposes of determining if the crews have completed the stage in the correct manner.

- (ix) Any vehicle which fails to arrive at TC10C, within their Late Time Limit will not be permitted to Start Heat 2, Section 5 and will be allocated times for SS11 & SS12 in the same manner as specified in ARC Sporting Regulations Article 14.4. The crew shall still be permitted to enter their car into Overnight Parc Ferme as per Article 3.2 and may start Heat 2 Section 6 on Sunday. For the purposes of unofficial results crews will be given an indicative time until their allocated time has been finalised.
 - (x) Crews are forbidden from overtaking another car during any of the Super Special Stages. If a crew is in a position to overtake another car they must slow down and proceed to the Stop Control. Under no circumstances are they to pass another vehicle unless that vehicle is definitely stopped. Crews affected by this situation may be allowed to contest the Special Stage again as per Article 12.4(iv).
 - (xi) The start order for SS11 will be in seeded order with any late arrivals at TC10C (the Parc Ferme at the end of Heat 1) being allocated the next available start time. Cars will start SS11 in groups of 9. These cars will then compete on SS12 before the next group of 9 commence SS11.
