## 1 - INTRODUCTION AND WELCOME

Welcome to the ever beautiful 'Island of Madeira', the Pearl of the Atlantic, renowned as a tourist destination par excellence and to one of the most spectacular and competitive rallies on asphalt – the Madeira Wine Rally – the oldest competition of the European Championship and one of the most emblematic, as well as counting also for the Intercontinental Rally Challenge and the Portugal and Madeira Rallies Championships.

This year, on the 20th of February last, a violent storm, with torrential rain, swept down from the mountains and swelled the creeks on the South of the Island, causing severe flooding in the City of Funchal and some adjacent districts, leaving death and destruction in its wake. But once the phase of surprise and stupefaction for such injustice on the part of 'Mother Nature' had passed, the people of Madeira, with National and International support and solidarity, met this new adversity and with redoubled commitment and motivation immediately started the cleaning up process and recovery of the areas affected. Today, in spite of some limitations in the road network and understandable psychological consequences affecting some Madeiran families, Madeira is once again prepared to receive the thousands of tourists who come to this Island in search of sun, blue sea, green hills, nature all around, walks along the levadas and mountain tracks, the quality of service and the hospitality of its residents. Its 'Natural Park', a protected nature reserve and considered a World Heritage Site by UNESCO, was not affected, on the contrary, it is valued and preserved even more.

Empowered with Political Autonomy, the Government of this Autonomous Portuguese Region decided to hold quality events which promote and publicise Madeira internationally and which contribute to attracting tourists.

Who has not heard of the New Year Festival with its spectacular firework display, of the Flowers Festival, of the Carnival Parade, which fill the streets and squares of the lovely City of Funchal with tourists and residents who participate in and enjoy these festivities to the full?

Among these events, we find the 'Tour of Madeira Island' which began in 1959 and which in 1979 entered the European Championship and came to be known as the 'Madeira Wine Rally' as a way of promoting one of the most renowned exports and its true ambassador.

Thus the Madeira Wine Rally became one of the most prestigious and historic competitions of the European Championship and of the Rallies of Portugal. From the famous 'Tours of the Island' it unfolds along the lovely, winding, verdant roads of the Island, which transport us rapidly from sea level to mountain range, through valleys and hills, paved with smooth asphalt which make the event much appreciated by the drivers who, year after year, return to the competition. Thus an excellent list of entrants is guaranteed, with the most established names of world and national motor-racing, to which is added a notable group of fast Madeiran drivers, turning the competition even more competitive and with indecision as regards to the winners who will appear on the podium.

The Madeira Wine Rally is today a brand image of Madeira. A prestigious international and national competition, the rally is also much enjoyed by all Madeirans who turn out on the roads and hillsides of Madeira to 'watch the Rally', turning it into a popular festival which is always awaited with a great deal of interest and expectation which starts on the day the cars come off the ship at the Port of Funchal and lasts for the whole week. It is almost as if Madeira 'stops' to watch the competition.

For all this, and much more, it is only by visiting Madeira that you will be able to discover, particularly this year, that the quickest way to stand by Madeira and the Madeirans, is to spend some holidays at leisure in this wonderful Island.

With that in mind, we look forward to welcoming you in the first week of August, to the 'Pearl of the Atlantic, to enjoy a great and competitive sporting spectacle and to inviting you to join us in a toast with a glass of century-old 'Madeira Wine' to the success of the Rally and of Madeira.
